Re: Compliance Statement in Automobile Manual

To Whom it may concern,

-The Model (RADER ASSY MILLIWAVE) for which this certification application is submitted is an automotive OEM product and the (car) owner's manuals will be prepared by the automobile manufacturer.

-The manual information which is the requirements of the Federal Communications Commission CFR 47, Part 15, Paragraph 15.19(a)(3) and Industry Canada RSS-210, Paragraph 5.11 are not available at this time.

-We note that, since the compliance statement is contained on the FCC/IC ID label, the statement applicable for this device need not be repeated in the manual.

"This device complies with Part 15 of the FCC rules.

Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference, and,
- 2) This device must accept any interference received including interference that may cause undesired operation."

"CAUTION TO USER: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment."

Sincerely,

  
Naoto NISHIMURA (Mr.)

Technical Standardization Team.
