To Keep your Bluetooth® Speaker and mobile phone within 33 feet of each other during the pairing skip to the previous or next track, you will need to use the process. Check that your phone's Bluetooth i enabled. Try repeating the pairing process.

### MAINTENANCE

Power this product off when not in use.

speaker. Clean with a dry cloth if necessary.

DO NOT expose this product to water or liquid

DO NOT use abrasive cleaning solvents to clean this

If you are not using the speaker for a long period of time, store in a dry, safe location. Charge the speaker every 2 months when in storage to maintain

on normal wear and tear. There is no warranty obligation in the event of marginal differences compared to the target appearance and workmanship provided these have a nealigible effect on the product's fitness for use, in the event of damage caused by chemical or electrochemical effects, by water or generally from abnormal conditions.

1) The warranty will be performed in such a way that we

shall decide whether to repair the defective parts or to replace them with working parts free of charge.

for a replacement product of equal value if the product sent in cannot be repaired within a reasonable time or at a reasonable cost. Requests cannot be made for repairs to be carried out on site. Parts that have been replaced or exchanged become our property.

- 2) The warranty claim does not apply if repairs a other work is carried out by unauthorized persons or if our products are equipped with additional parts or accessories that are not approved for our product.
- 3) Warranties that have been activated do not cause the warranty period to be extended, nor do they trigger a new warranty period. The warranty period for any replacement parts installed ends with the warranty period for the entire product.
- 4) Any other further claims are excluded, especially those for replacement due to damage caused to the outside of the product, provided there is no obligatory legal liability. We therefore accept no liability for accidental, indirect or other consequential damage of any kind, which leads to usage restrictions, data loss, and loss of earnings or interruption to business

### Asserting a warranty claim:

1) To make use of the warranty service for hardware issues, you must contact the Vibe™ Service Center by email at support@dalusa.com

2) Vibe™ will try to diagnose and solve your problem. If it is determined that a warranty claim exists, you will be aiven an RMA number (Return Material Authorization) and will be asked to send the product to Vibe<sup>TM</sup>.

IMPORTANT: Vibe™ will only accept parcels that have an RMA number.

Please observe the following when sending the product: 1) Send the product suitably packaged with carriage and insurance paid. Do not enclose any accessories with the product (cables, chargers, manuals, etc.) unless the Vibe™ Service Center specifies otherwise.

Mark the RMA number on the outside of the package in such a way that it is visible and clearly legible. Vibe™ reserves the right to exchange the product 3) You must enclose a copy of the sales slip as proof

> Once Vibe™ has received the product, it will meet its warranty obligations in accordance with the warranty conditions and will return the product to the sender with carriage and insurance paid.

> > Service outside of warranty

Vibe™ can refuse any service claim made that is not covered by the warranty.

If Vibe™ garees to provide a service outside the warranty, the customer will be invoiced for all repair and transport costs. Vibe™ will not accept any packages that have not first been approved by Vibe TM by means of an RMA (Return Material
