

# N748 User's Manual

## **Important Health Information**

Certain repetitive strain injuries, including pain, numbness and weakness to hands, wrist, arms, neck and/or back have been identified by some experts as being associated with the prolonged use of mice. If you are experiencing injury symptoms, consult a medical professional. A person's susceptibility to these injuries may be affected by many factors, including body posture, repetitive physical activities and general physical health.

## **FCC Statement**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

## **Warning!**

This equipment complies with FCC RF radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

### **Package Contents:**

- I N748 HP Thrive Wireless Optical Mouse
- I Wireless Receiver
- I 2x AA NiMH Alkaline Batteries
- I User's Guide

### **System Requirements:**

- Y IBM® Compatible System
- Y Microsoft Windows® 98SE, 2000, Me, XP, or Mac® OS X v10.4.
- Y An Available USB Port

## **1. Battery Installation**

Step 1: Remove the battery cover.

Step 2: Place 2 AA alkaline batteries into the battery compartment as indicated.

Step 3: Lock the battery cover back into its place.
