# Premium Industrial Fixture

## APPLICATIONS

Premium grade fluorescent industrial fixture. For use in indoor applications such as factories, warehouses, workshops, garages and utility areas where concentrated light output is required. Available in lengths from 24 to 96 inches.

## FEATURES & BENEFITS

- Solid one piece reflector for 8' lamps (except tandem)
- Single or row mounting capability
- Versatile end plates doubles as coupler for precise continuous row mounting
- Available in one and two lamps
- Available in lengths from 24 to 96 inches - (2', 3', 4', 6', 8' lengths)
- Surface, stem or chain mountable
- Uses T5, T8 or T12 lamps
- Optional uplight reflectors available
- Every fixture individually tested
- **UL** listed for damp location

## SPECIFICATIONS

Housing is die-formed from cold rolled steel. Finish is high reflectance baked white enamel. Versatile end plate doubles as coupler for continuous row mounting. Single piece reflector on non-tandem units. Knockouts are provided for flexible conduit attachment. Listed by and bears **UL** label.
