- 1 release button for port replicator
- 2 height adjustment lock/unlock switch
- 3 cable holder

Using the E-View Laptop Stand

Unlocking the Laptop Stand

The laptop stand ships in the locked position. To unlock the laptop stand:

- 1 Push down on the front of the laptop stand to tilt it forward.
- 2 Move the lock/unlock switch to the unlocked position.

1 lock/unlock switch

2 unlocked position

Adjusting the Height of the Laptop Stand

- 1 Lift or lower the top of the laptop stand to the desired height.
- 2 Move the lock/unlock switch to the locked position to lock the laptop stand in place.

1 top of laptop stand 2 locked position

Adjusting the Tilt of the Laptop Stand

In addition to adjusting the height of the laptop stand, you can also tilt the stand forward.

- 1 Turn the tilt lock counter-clockwise.
- 2 Push down on the front of the laptop stand while simultaneously lifting the back of the laptop stand to tilt it forward to the desired angle.
- 3 Turn the tilt lock clockwise to lock the stand in place.

- 1 front top of laptop stand
- 2 back of laptop stand
- 3 tilt lock

2 back of laptop stand

Moving the Laptop Stand From Side-to-Side

You can move the laptop stand from side-to-side from the front of the base.

Connecting the Laptop Stand to a Port Replicator

- 1 With the front of the port replicator raised slightly, slide the port replicator toward the back of laptop stand until the port replicator rests against the guide posts.
- 2 Push down on the port replicator to secure it to the release tab on the laptop stand.

2 port replicator

3 guide stops for the docking stand

- 3 Follow the procedures for setting up your port replicator. See the *E-Port User's Guide* or the *E-Port Plus User's Guide* that shipped with your port replicator or on support.dell.com.

- 4 Route all cables through the cable holder.

- 1 cable holder

Connecting a Laptop to a Port Replicator in the Laptop Stand

- 1 Hold the laptop at an angle and place the front of the laptop on the size adjustment tray.
- 2 Use your laptop to slide the tray out if you need to adjust the space to accommodate a larger laptop.
- 3 Center the laptop with port replicator and lower the back of the laptop onto the port replicator.
- 4 Push down on the laptop to connect the laptop to the port replicator. You should feel the laptop click into place.
