

6. User's Manual Requirement

6.1. Operation Manual

(1) Registration of the Bluetooth Products

Transmits the registration signal from the Bluetooth product to the navigation system and register the Bluetooth product at the navigation system.

(2) Selection of the Bluetooth Products

Transmits the selection signal from the navigation system to the Bluetooth product and connect the navigation system with the Bluetooth product.

(3) Call

Call by inputting the phone number with the touch panel of the navigation system. Get the phone by operating the touch panel of the navigation system.

6.2. User's Manual Requirements of FCC rule

DNNS059 is installed in vehicle, so DNNS059 has no manual for user.

FCC user's manual requirements that are FCC rule Part 15.21 and 15.105 are described on user's manual of the vehicle as followings.

FCC and IC Regulation

NOTE:

This device complies with part 15 of the FCC Rules and RSS-Gen.

Operation is subject to the following two conditions;

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC WARNING:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

CAUTION: Radio Frequency Radiation Exposure

This equipment complies with FCC/IC radiation exposure limits set forth for uncontrolled environment and meets the FCC radio frequency (RF) Exposure Guidelines in Supplement C to OET65 and RSS-102 of the IC radio frequency (RF) Exposure rules. This equipment has very low levels of RF energy that it deemed to comply without maximum permissive exposure evaluation (MPE). But it is desirable that it should be installed and operated with at least 20cm and more between the radiator and person's body (excluding extremities: hands, wrists, feet and ankles).

Co-location: This transmitter must not be co-located or operated in conjunction with any other antenna or transmitter.
