NEDERLANDS

**F** **Automatische slaapstand**  
De controller of het voertuig gaat na 5 minuten van inactiviteit in stand-by. Schakel uit en opnieuw in om de werking te hervatten.

**Voorzorgsmaatregelen (bewaren s.v.p.!)**

- WAARSCHUWING!** Niet geschikt voor kinderen jonger dan 3 jaar. Er bestaat gevaar voor verstikking vanwege kleine stukjes die ingeslikt kunnen worden! Deze adviezen s.v.p. bewaren voor eventuele correspondentie. Kleuren technische veranderingen voorbehouden. De hulp van volwassenen is nodig bij het verwijderen van de transportbeveiligingen.
- Nooit het voertuig oppakken zolang de wielen nog draaien.
- Vingers, haren en losse kleding niet in de buurt van de motor of de wielen laten komen, wanneer het apparaat op „ON“ is gezet.
- Om per ongeluk aanspringen te voorkomen, moeten de batterijen en accus bij niet-gebruik uit het speelgoed worden gehaald.
- Schakel eerst het voertuig in en dan pas de zender, om een onvoorziene werking te vermijden. Bij het uitschakelen, schakel eerst het voertuig uit en dan de zender.
- Als het voertuig niet reageert wanneer ingeschakeld, schakel dan zowel het voertuig als de zender uit en opnieuw in. Controleer tevens of er volle batterijen op een juiste manier in beide items zijn ingestoken.
- Om de beste resultaten te bekomen, bevelen wij aan enkel alkaline batterijen of oplaadbare batterijdozen met het voertuig te gebruiken.

**Pas op:**  
De producent is niet verantwoordelijk voor enige radio- of TV storing, die door niet goedgekeurde wijzigingen aan deze uitrusting wordt teveegebracht. Zulke wijzigingen kunnen het gebruiksrecht van de gebruiker teniet doen.

**F** **Auto alvás mód**  
Dopo 5 minuti di inattività il comando e il veicolo entrano in modalità standby. Premere "off" e poi "on" per riattivare.

**Misure di sicurezza (da conservare!)**

- ATTENZIONE!** Non adatto ai bambini di età inferiore a 3 anni. Pericolo di soffocamento a causa di pezzi piccoli ingeribili! Conservare per favore queste annotazioni per un'eventuale corrispondenza. Con riserva di possibili cambiamenti tecnici e di colore. L'aiuto di un adulto è necessario per rimuovere le protezioni applicate per il trasporto. Questo articolo è conforme con le normative europee e consentito in Italia.
- Non sollevare mai il veicolo finché le ruote sono ancora in movimento.
- Fate attenzione a non avvicinarsi con mani, capelli e indumenti larghi al motore o alle ruote quando l'apparecchio è impostato su «ON».
- Per evitare partenze accidentali, rimuovere le batterie e gli accumulatori quando il giocattolo non viene utilizzato.
- Per evitare il funzionamento accidentale, spegnere il veicolo prima del trasmettitore. Durante lo spegnimento, spegnere prima il veicolo, poi il trasmettitore.
- Se il veicolo non risponde dopo averlo acceso, spegnere sia il veicolo che il trasmettitore e ricacciarli. Verificare inoltre che le batterie siano installate correttamente.
- Per ottenere i migliori risultati consigliamo di usare solo batterie alcaline o batterie ricaricabili per il veicolo.

ITALIANO

**F** **Modo de apagado automático**  
Tras 5 minutos inactivos, el controlador o el vehículo pasarán al modo suspendido. Por favor, apaga y enciende la unidad para reanudar sus funciones.

**Medidas de seguridad (por favor, guárdelas!)**

- ¡ADVERTENCIA!** No conviene para menores de tres años. Existe peligro de asfixia porque hay piezas pequeñas que pueden ser tragadas. Por favor, guarden estas indicaciones para cualquier consulta. Reservado el derecho de modificaciones técnicas y de color. Se necesitará la ayuda de adultos para retirar los dispositivos de seguridad para el transporte.
- No levante nunca el vehículo mientras las ruedas giran.
- No acerca los dedos, el cabello o las ropas a las ruedas, cuando el aparato está encendido ("ON").
- Para evitar un funcionamiento imprevisto, hay que retirar las pilas y los acumuladores cuando no se use el vehículo.
- Para evitar un funcionamiento involuntario del vehículo, deberá encenderse antes de encender el transmisor. Al apagarlo, apague primero el vehículo y luego el transmisor.
- Si el vehículo no responde al encenderlo, apague el vehículo y el transmisor y vuelva a encenderlos. Compruebe también si las pilas están llenas y bien instaladas.
- Recomendamos el uso exclusivo de pilas alcalinas o las baterías recargables para obtener los mejores resultados con el vehículo.

**Atención:**  
El fabricante no asume ninguna responsabilidad por cualquier tipo de interferencia en radios o televisores, causada por modificaciones no autorizadas del equipamiento. Estas modificaciones pueden anular el derecho de uso del usuario.

PORTUGUÊS

**F** **Automatiskt viloläge**  
Efter 5 minuter överksamhet kommer kontrollen eller fordonet att försättas i vänteläge. Slå "Av" och "På" för att återuppta användning.

**Försiktighetsåtgärder (spara dessa!)**

- VARNING!** Ej lämpigt för barn under 3 år. Risk att kvävas på grund av smådelar som kan sväljas! Spara förpackningen. Reservation för färg- och tekniska ändringar. Någon vuxen måste hjälpa till för att ta bort transportsäkringarna.
- Lift aldrig upp fordonet så länge hjulen fortfarande driver.
- Ha inte fingrar, hår och lös klädsel i närheten av motor eller hjul när fordonet står på "ON".
- För att undvika oavsiktlig drift måste batterierna, vanliga så väl som uppladdningsbara, tas ur felsaken när den inte ska användas.
- För att undvika oavsiktlig körning bör fordonet stängas av före sändaren. Vid avstängning, stäng alltid av fordonet först och sedan sändaren.
- Om fordonet inte svarar efter påslagning (ON), stäng av både fordonet och sändaren och slå sedan på (On) igen. Kontrollera även att batterierna är fulladdade och korrekt monterade.
- För att säkerställa bästa resultatet rekommenderar vi att endast alkaliska batterier eller laddningsbara batterier används i fordonet.

**Observera:**  
Tillverkaren bär inget ansvar för någon form av radio- eller TV störning som uppkommer på grund av oönskta förändringar på utförandet. Sådana förändringar kan göra att användarens rätt att bruka produkten förfaller.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, maybe cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Only use the batteries specified ! Put positive and negative pole in the right place! Do not throw away used batteries in the household garbage, but only give them to the collection station or dispose of them at a special garbage depot. Remove empty batteries from the toy. Non-rechargeable batteries must not be recharged. Before charging remove rechargeable batteries from the toy. Rechargeable batteries must be charged under adult supervision only. Do not use different types of batteries and do not mix new and used batteries. Do not short-circuit connector clips. Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
