Zoom it, print it, save it, close it. Print a few pages at a time, as you need; no need to lug that bulky binder around anymore. Once you buy the manual, you will immediately get a link in your email, then just go view it, print it, and save it to your computer for many more uses later on. Viewed in the most popular Adobe Acrobat viewer which most computers have already; to download the free viewer, go to [www\(dot\)adobe\(dot\)com](http://www.adobe.com) About Husqvarna The Husqvarna brand has a long tradition, going back to 1689 when the Swedish company Husqvarna was founded for the production of rifles. Today, you will find the Husqvarna brand on a wide range of products, recognized all over the world as a symbol of high quality. Husqvarna has a wide range of chainsaws includes everything from large, powerful saws for professional logging to small, lightweight top handle saws for tree trimming and pruning. All Huskavarna models reflect Husqvarna commitment to combining high performance with unique user friendliness. Husqvarna is the global leader in outdoor power equipment products for forestry, park maintenance, and lawn & garden turf care, as well as cutting equipment and diamond tools for the construction and stone industry. The product offering includes products for both consumers and professional home users. Following the acquisition of Gardena, the range has been extended to include irrigation equipment for the consumer home market; These products are sold in more than 100 countries. Husqvarna has a product offering that covers a wide spectrum of applications for consumers and professional users within the following product areas: Forestry - chainsaws, clearing saws

and accessories such as chains, guide bars and protective clothing gear. Lawn and garden products like Walk behind lawn mowers, garden tractors, riding mowers and other wheeled turf products, as well as portable hand held products like string trimmers, hedge trimmers, chain saws and leaf blower vacs. Irrigation products and garden tools for the consumer home use market under the Gardena brand. Construction - machines and diamond cutting boring tools for cutting concrete and stone The brands in Forestry and Lawn & garden are Husqvarna, Huskavarna, Jonsered, Gardena, Flymo, McCulloch, Partner, Poulan, Poulan Pro and Weed Eater. The brands in Construction are Husqvarna and Diamant Boart. When it comes to power equipment protective gear and accessories, more and more professionals depend on Husqvarna for exceptional quality and performance. As one of the world's leading manufacturers of forest and garden equipment, Husqvarna brings three centuries of focusing on quality and safety to their full range of products. From helmets and hearing protectors to logger chaps and bib coveralls, Husqvarna demonstrates the experience and expertise to bring you the best. Husqvarna's chainsaw guide bars, and saw chain are designed to achieve high performance and to optimize all of the chainsaw's features. Most of Husqvarna bars & chains, smaller than 44", are developed and manufactured specifically for Husqvarna chain saws by a well known company called Oregon. Large guide bars 44" and larger are made for Husqvarna by GB, Griffiths & Bereens.
