2014 Membership Application - Supervisor Approval Form

The National Child Passenger Safety Board is a collaborative voice providing guidance for the safe transportation of children and ensuring the integrity of the child passenger safety training and certification program. The Board consists of up to 22 members — 10 who are appointed by their organization and 11 to 12 who are selected through the open application process. It is not necessary to be a certified child passenger safety technician to be a member of the Board.

At this time the National Child Passenger Safety Board is seeking applicants for the following positions: CPS Advocate (1), Injury Prevention – Public Health (1), and Public Safety – Law Enforcement (1). Selected applicants will begin their Board service with the first Board meeting of 2015 (January 2015, tentatively scheduled for Charlotte, NC).
