## A PREMIUM SEDAN THAT HAS IT ALL

Introducing the 2015 Kia Cadenza — a premium sedan that combines sophisticated exterior styling, a luxurious interior, and exhilarating performance. Its many technologically advanced features include a multimedia interface with voice-command navigation<sup>3</sup> and available features such as Advanced Smart Cruise Control<sup>1\*</sup> and Blind-Spot Detection with Lane Change Assist.<sup>1\*</sup> A 293-hp, 3.3L Gasoline Direct Injection (GDI) V6 engine delivers exceptional performance, while its finely tuned suspension system provides a smooth, quiet ride and precise handling. To help ensure your peace of mind, Cadenza incorporates the latest advanced safety systems including Vehicle Stability Management, Electronic Stability Control and a Brake Assist System.

# RESPONSIVE & INSPIRING PERFORMANCE

Cadenza delivers exhilarating performance and precise handling. Technologically advanced available features ranging from Advanced Smart Cruise Control<sup>1\*</sup> to Blind-Spot Detection with Lane Change Assist<sup>1\*</sup> help keep you in command at all times. A 3.3L Gasoline Direct Injection (GDI) V6 engine generates 293 horsepower for dynamic acceleration. Its six-speed, Sportmatic<sup>®</sup> transmission allows you to choose between automatic mode or, for sportier driving, clutch-free manual shifting with steering-wheel-mounted paddle shifters. In addition, Cadenza's finely tuned suspension system ensures a remarkably smooth ride, while sound-absorbing insulation throughout the vehicle reduce, block and absorb road noise.

1\* See Features page for availability and page 23 for endnotes. Not all optional features are available on all trims. CADENZA PREMIUM MODEL SHOWN. Some features may vary.

## EMPOWERING YOU WITH ADVANCED TECHNOLOGY

Cadenza utilizes the latest technology to elevate every aspect of your driving experience. Standard amenities such as a voice-command navigation<sup>3</sup> system with Rear-Camera Display<sup>1</sup> and a Back-Up Warning System<sup>1</sup> help keep you in control. In addition, features such as a premium Infinity<sup>®4</sup> surround-sound audio system with 12 speakers for rich audio performance let you and your passengers enjoy every moment you spend traveling.

1, 3, 4, \* See Features page for availability and page 23 for endnotes. Not all optional features are available on all trims. CADENZA PREMIUM MODEL SHOWN. Some features may vary.

**1. REAR-CAMERA DISPLAY<sup>1</sup>** Conveniently see things behind your vehicle that you might not see by looking over your shoulder.

**2. BACK-UP WARNING SYSTEM<sup>1</sup>** A sonar system is concealed in the rear bumper. When you back up, an audible warning is given if the system detects objects behind your vehicle.

**3. SUPERVISION TFT LCD INSTRUMENT CLUSTER** A high-visibility vehicle information screen and LCD gauges offer easy, at-a-glance reading in a variety of ambient light conditions. The cluster is included on Cadenza Premium.

**4. HYDROPHOBIC GLASS<sup>\*</sup>** To help improve visibility in rainy weather, front side windows with available hydrophobic glass instantly repel water.

**INFINITY<sup>®4</sup> AUDIO SYSTEM** A premium Infinity<sup>®4</sup> surround-sound audio system with 12 speakers delivers exceptional audio entertainment, surrounding driver and passengers with crisp, balanced sound.

## LUXURY CONNECTED.

What could be simpler than using your voice or a touch screen to control the onboard navigation and entertainment systems on your new Cadenza?

All Cadenza models are equipped with Kia's multimedia interface, combining a dynamic display and brilliant graphics with touch screen and speech recognition technology for precise control of multiple systems and functions.

### TOUCH-SCREEN TECHNOLOGY

A bright, 8-inch LCD touch screen features smartphone-like controls that respond with a touch of your finger.

### MEDIA AND MUSIC INTEGRATION

The interface provides hands-free connectivity for your Bluetooth®-enabled cell phone and supports digital music streaming from iPod®10 or USB-connected music sources, as well as the system's internal hard drive. Your music is accompanied by extra-large album artwork on the screen.

### REARVIEW CAMERA DISPLAY 1

When you shift into Reverse, the multimedia interface automatically displays a high-resolution image from the vehicle's rearview camera. Like an extra set of eyes, it shows you what you might not see in the rearview mirror or by looking over your shoulder.

### PREMIUM AUDIO SYSTEM INTEGRATION

The multimedia interface is fully integrated with Cadenza's premium Infinity®4 Audio System - a concert-hall-quality system featuring 12 precisely placed speakers, including a subwoofer, centre channel speaker and external amplifier.

### ONBOARD NAVIGATION 3

Cadenza's standard onboard navigation system is also fully integrated with the multimedia interface. Call-up a destination, find a point of interest or type in an address on the touch screen and Cadenza will take you there.

## A SPACIOUS & LUXURIOUS PRIVATE RETREAT

With luxurious appointments and a roomy cabin, Cadenza is designed to satisfy the most demanding driver. Spacious seating invites everyone to relax and travel in first-class accommodations. The heated and power-adjustable front seats are designed to provide an ideal balance of comfort and support. Leather seat trim, chrome accents throughout the interior and beautiful wood-grain style trim further add to Cadenza's sophistication and refinement.

E-PROCESS

CADENZA PREMIUM MODEL SHOWN. Some features may vary.

**1. DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL** Temperature control allows the driver and front passenger to adjust temperature settings to create their own climate zones. Rear-seat passengers can adjust a separate ventilation outlet.

**2. HEATED STEERING WHEEL\*** Driving during colder months is more pleasant with the available heated steering wheel.

**3. POWER REAR-WINDOW SUNSHADE\*** Rear-seat passengers can enjoy a cool and comfortable drive with an available power rear-window sunshade.

**4. POWER SEAT-CUSHION EXTENSION\*** An available power-adjustable driver's seat-cushion extension is a welcome luxury, providing extra support and allowing drivers to select their own custom comfort settings. **MEMORY SETTINGS\*** An available memory system remembers two drivers' preferences, recalling stored positions for the driver's seat, outside mirrors and power-adjustable steering column.

**PANORAMIC SUNROOF\*** Brighten any drive with the available panoramic sunroof. It includes a power-retractable sunshade for enhanced convenience.

## DESIGNED FOR OPTIMUM COMFORT

Cadenza's elegant interior is appointed with luxurious features that take comfort to the next level. For distinctive styling and a soft, inviting feel, premium Nappa leather seat trim\* is available. Other available refinements include air-cooled front seats,\* a power-adjustable driver's seat-cushion extension\* and a power rear-window sunshade.\*

Information Provided by:

\*See Features page for availability. Not all optional features are available on all trims. CADENZA PREMIUM MODEL SHOWN. Some features may vary.

## ADVANCED SAFETY SYSTEMS TO HELP HANDLE UNEXPECTED CONDITIONS

The Cadenza features advanced active safety systems designed to help give you peace of mind every time you drive.<sup>†</sup> Each one is engineered to help you maintain control, even in harsh road conditions and in some emergency situations. These safety systems are designed to function automatically, leaving you free to focus on safe driving.

**VEHICLE STABILITY MANAGEMENT (VSM)**  
VSM is a safety feature that adds steering direction control capability. It intervenes when appropriate to help the driver regain control of the vehicle.

**ELECTRONIC STABILITY CONTROL (ESC)**  
ESC monitors your vehicle's response during emergency maneuvers. It then controls the engine and brakes to help keep your Cadenza on course.

**TRACTION CONTROL SYSTEM (TCS)**  
When TCS senses wheel spin during acceleration, it uses engine power and brake force to transfer power to the wheels that have the most traction.

**ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)**  
To help maintain more consistent braking as vehicle loads and weight distribution change, EBD adjusts the front-to-rear balance of brake pressure.

**BRAKE ASSIST SYSTEM (BAS)**  
If BAS detects emergency braking, based on how quickly you step on the brake pedal, it instantly applies full braking force, which helps shorten your overall stopping distance.

**HILL-START ASSIST CONTROL (HAC)**  
To help keep you from rolling backward when starting off on a steep hill, HAC automatically holds the brake pressure for two seconds after you take your foot off the brake pedal.

**DEALER**  
E-PROCESS

<sup>†</sup>No system, no matter how advanced, can compensate for all driver error and/or driving conditions. Always drive responsibly. CADENZA PREMIUM MODEL SHOWN. Some features may vary.

## DESIGNED TO PROTECT DRIVER AND PASSENGERS

The Cadenza is equipped with passive safety systems designed to help minimize injury when certain traffic accidents are unavoidable. An advanced airbag system helps protect driver and passengers with dual front, front and rear seat-mounted side, and full-length side-curtain airbags. Cadenza wraps all of this — and you — in a protective, high-strength, tensile steel-reinforced body that absorbs impact energy to help protect you in case of a collision.

### **EIGHT ADVANCED AIRBAGS<sup>5</sup>**

Dual front airbags, full-length side curtain airbags and front and rear seat-mounted side airbags are managed by an advanced sensor system that can even respond in certain rollover situations.

### **AIRBAG & SEATBELT SENSORS**

This advanced system monitors the severity of certain impacts, the presence of a front passenger and seat-belt use, and then controls airbag inflation accordingly.

### **FRONT SEAT-BELT PRETENSIONERS**

Pretensioners have been designed to tighten the front seat belts in the event of certain collisions. This helps to reduce the likelihood of injuries.

### **HIGH-STRENGTH, TENSILE STEEL-REINFORCED BODY**

Cadenza's body structure is reinforced with extensive amounts of high-strength tensile steel. This material is lighter and stronger than traditional steel, helping protect passengers while reducing overall weight.

### **FRONT & REAR CRUMPLE ZONES**

Front and rear crumple zones are specially engineered to help absorb and dissipate impact energy, helping to preserve the structural integrity of the entire passenger compartment in certain collisions.

### **REAR CHILD-SAFETY DOOR LOCKS**

Rear child-safety door locks help prevent the doors from being opened accidentally, which is important when small children are passengers. With the doors in the locked position, they can only be opened from the outside.

5. See page 23 for endnotes. Not all optional features are available on all trims. Some features may vary.

#### STUNNING DESIGN

Cadenza takes its place alongside K900 as one of Kia's Premium line of vehicles that — under the direction of renowned President and Chief Design Officer Peter Schreyer — has captured worldwide attention for interior and exterior styling. Kia vehicles represent the passionate collaboration of designers who have created a distinctive look that makes every Kia recognizable at first sight.

#### EXTENSIVE RESEARCH AND DEVELOPMENT

Kia's R&D procedures are rigorous and exhaustive. At proving grounds around the world, vehicles undergo unrelenting tests. A world-class wind tunnel provides testing in winds up to 200 km/h. Utilizing heavy-rain-and-snowfall testing chambers and a road simulator, Kia puts its vehicles through punishing tests as part of a commitment to develop exceptionally durable and safe vehicles.

#### STRINGENT TESTING

To deliver automobiles with exceptional performance and unsurpassed comfort, Kia combines new technologies with materials such as high-strength tensile steel. In addition, Cadenza's parts and material testing included high-tech virtual analysis to deliver superior performance and long-lasting quality in real-world conditions.

#### COMMITMENT TO NORTH AMERICA

Kia Motors has invested over \$1.1 billion in its manufacturing plant in West Point, Georgia. Utilizing the latest manufacturing processes and state-of-the-art robotics, the plant recently produced its one millionth vehicle after less than four years of operation. The Sorento crossover is currently being built at this plant for the Canadian market. Together with on-site and local suppliers, the Georgia facility is responsible for the creation of more than 14,000 jobs in West Point and the surrounding areas. It's all part of Kia Motors' commitment to North America — a commitment that is sure to grow and strengthen in the years ahead.

#### PREMIUM WARRANTY PROGRAM

True to the luxury vehicle class, your new Kia Premium vehicle ownership includes complimentary scheduled maintenance. Refer to page 23 of this brochure for further warranty information.

## DELIVERING ON A PROMISE

Kia is committed to producing world-class vehicles that suit most every driving need. This promise has led to the development of stylish vehicles with a remarkable combination of precision engineering, outstanding performance, innovative features and advanced safety systems — and Cadenza stands as an extraordinary example of this commitment. Kia's dedication to quality and value has also been widely recognized<sup>6</sup> — one reason why Kia has been honoured as a top 100 brand in Interbrand's Best Global Brands 2013 report<sup>7</sup>.

Fuel tank capacity, L (Imp. gal.)	70 (13.4)

## FUEL ECONOMY, HIGHWAY/CITY, L/100KM

Front wheel drive	8.4/12.7
-------------------	----------

Starting with the 2015 model year, Natural Resources Canada in conjunction with the automotive manufacturers, have introduced a new testing procedure that will result in higher fuel consumption ratings that are more representative of everyday driving. Kia Canada is one of the first automotive manufacturers to implement the new testing practice and would like to ensure you fully understand the difference. The new procedure incorporates 3 additional test cycles that account for air conditioner usage, cold temperature operation, and higher speeds with more rapid acceleration and braking.

# PREMIUM

# A NEW LUXURY EXPERIENCE.

Kia Premium is prestige and privilege for a new era, celebrating the enjoyment of owning and driving a Kia luxury vehicle and defining a new experience: **Luxury Liberated.**

It embodies every aspect of luxury, including the Kia Premium ownership experience delivered through an exclusive network of certified Kia Premium dealers.

As a registered Kia Premium customer, you will receive a complimentary Premium Rewards Membership that provides exclusive advantages to enhance the performance and prestige of your driving experience.

\*Services are alternating in a predetermined sequence (A, B, A, C...) with service D occurring once at 96,000 km. Any maintenance work specifically requested by you or recommended by an authorized Kia Dealer in addition to the items listed above is not covered. Any items discovered during the Multi-Point Inspection process that may require replacement are not covered – unless specifically listed above or covered under the original vehicle warranty. All wear items such as but not limited to: brakes, rotors, wiper blades, bulbs etc. are specifically excluded. The new vehicle warranty is transferable; however, the scheduled maintenance is non-transferable.

## ENDNOTES

1. The Blind-Spot Detection w/Lane Change Assist, Rear Cross-Traffic Alert, Lane Departure Warning System, Advanced Smart Cruise Control, Frontview and Reaview Camera Displays are not substitutes for proper and safe driving. Always drive safely and use caution. These systems may not detect every object in the vehicle's blind spot or surrounding areas, or direction of travel. Images shown for illustration only. 2. SIRIUSXM logo and related marks are trademarks of SIRIUSXM Satellite Radio Inc. Service available in the 10 provinces and three territories of Canada, and the 48 contiguous states of the U.S. Monthly subscription sold separately after three trial months. 3. When equipped with the navigation system, French voice commands may be limited. 4. Infinity® is a registered trademark of Harman International Industries, Incorporated. 5. For maximum protection, always wear your seat belt. 6. Kia Motors received the best Total Cost of Ownership for overall brand for 2012 according to Kelley Blue Book's kbb.com. 2012 model-year vehicle's projected ownership costs are based on the average Kelley Blue Book Total Cost of Ownership data for the initial 5-year ownership period. For more information, visit www.kbb.com. 7. Interbrand's Best Global Brands 2013 report is a look at financial performance of the brand, role of brand in the purchase decision process and the brand strength. Go to www.bestglobalbrands.com for more information. 8. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Kia is under license.
