**Language Arts and Language Arts Extensions Lesson Plan  
2nd Grade Curriculum  
Total Activities: 390**

Chapter -"Phonics, Fluency, Comp: 1"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Long vowels with silent e; Story Elements-The student will demonstrate knowledge in the following areas: long vowels ending with silent e; high frequency words; fluency with modeled reading; vocabulary; reading a leveled text; story elements identifying main characters; and writing.	LA353 LA354 LA355 LA356 LA357 LA358 LA359
2	Long a with ai, ay; Sequence Events-The student will demonstrate knowledge in the following areas: the vowel digraphs ai and ay with the long a sound; high frequency words; fluency with reading rate; vocabulary; reading a leveled text; sequencing; and writing.	LA360 LA361 LA362 LA363 LA364 LA365 LA366
3	Long e with ea, ee, y; Story Elements-The student will demonstrate	LA367 LA368

	knowledge in the following areas: the vowel digraphs ea and ee with the long e sound, the vowel y with the long e sound; high frequency words; fluency focusing on periods; vocabulary; reading a leveled text; story elements identifying setting; and writing.	LA369 LA370 LA371 LA372 LA373
Chapter -"Phonics, Fluency, Comp: 2"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Long i with igh, y, ie; Details-The student will demonstrate knowledge in the following areas: the long vowel i as spelled with the letters igh, y, and ie; high frequency words; fluency focusing on question marks; vocabulary; reading a leveled text; details; and writing.	LA374 LA375 LA376 LA377 LA378 LA379 LA380
2	Long o with oa, ow; Main Idea-The student will demonstrate knowledge in the following areas: the vowel digraphs oa and ow with the long o sound; high frequency words; fluency focusing on speed and accuracy; vocabulary; reading a leveled text; main idea; and writing.	LA381 LA382 LA383 LA384 LA385 LA386 LA387
3	er, ir, ur; Details that Support Main Idea-The student will demonstrate knowledge in the following areas: r-controlled vowels er, ir, and ur; high frequency words; fluency with quotation marks; vocabulary; reading a leveled text; supporting details; and writing.	LA388 LA389 LA390 LA391 LA392 LA393 LA394
Chapter -"Phonics, Fluency, Comp: 3"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		

Lesson Code	Lesson Title and Description	LA Number
1	ar, or, ore; Story Elements-The student will demonstrate knowledge in the following areas: the r-controlled vowels ar, or, and ore; high frequency words; fluency focusing on exclamation marks; vocabulary; reading a leveled text; story elements identifying conflict; and writing.	LA395 LA396 LA397 LA398 LA399 LA400 LA401
2	sh, ch, th, wh; Predict Outcomes-The student will demonstrate knowledge in the following areas: the consonant digraphs sh, ch, th, wh; high frequency words; fluency reviewing periods and exclamation marks; vocabulary; reading a leveled text; predicting outcomes; and writing.	LA402 LA403 LA404 LA405 LA406 LA407 LA408
3	ow, ou, oi, oy; Context Clues-The student will demonstrate knowledge in the following areas: vowel diphthongs ow, ou, oi, and oy; high frequency words; fluency reviewing question marks and quotation marks; vocabulary; reading a leveled text; context clues; and writing.	LA409 LA410 LA411 LA412 LA413 LA414 LA415
4	str, spr; Sequence Events-The student will demonstrate knowledge in the following areas: the consonant clusters str and spr; high frequency words; fluency focusing on inflection; vocabulary; reading a leveled text; sequencing events in a narrative; and writing.	LA416 LA417 LA418 LA419 LA420 LA421 LA422
Chapter - "Phonics, Fluency, Comp: 4"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Inflectional Endings ing, ed; Story	LA423

	Elements-The student will demonstrate knowledge in the following areas: the inflectional endings ing and ed; high frequency words; fluency focusing on phrasing; vocabulary; reading a leveled text; story elements identifying characters, setting, and plot; and writing.	LA424 LA425 LA426 LA427 LA428 LA429
2	Plurals s, es; Summarizing-The student will demonstrate knowledge in the following areas: plurals s and es; high frequency words; fluency with commas; vocabulary; reading a leveled text; summarizing; and writing.	LA430 LA431 LA432 LA433 LA434 LA435 LA436
Chapter - "Phonics, Fluency, Comp: 5"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Double Consonants; Author's Purpose-The student will demonstrate knowledge in the following areas: the double consonants tt, pp, and ll; high frequency words; fluency focusing on reading with a sense of anticipation; vocabulary; reading a leveled text; Author's Purpose; and writing.	LA437 LA438 LA439 LA440 LA441 LA442 LA443
2	Vowel exception le; Inferences-The student will demonstrate knowledge in the following areas: the vowel exception le; high frequency words; fluency focusing on phrasing; vocabulary; reading a leveled text; making inferences; and writing.	LA444 LA445 LA446 LA447 LA448 LA449 LA450
3	Silent Consonants kn, wr; Author's Viewpoint-The student will demonstrate knowledge in the following areas: silent consonants kn and wr; high frequency words; fluency with rhythm of poetry; vocabulary;	LA451 LA452 LA453 LA454 LA455 LA456

	reading a leveled text; author's point of view; and writing.	LA457
Chapter -"Phonics, Fluency, Comp: 6"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Antonyms; Locate Info. in a Graph-The student will demonstrate knowledge in the following areas: antonyms; high frequency words; fluency reviewing expression with characterization; vocabulary; reading a leveled text; locating information on a graph; and writing.	LA458 LA459 LA460 LA461 LA462 LA463 LA464
2	Synonyms; Identify Cause and Effect-The student will demonstrate knowledge in the following areas: synonyms; high frequency words; fluency focusing on rhythm with poetry; vocabulary; reading a leveled text; cause and effect in expository text; and writing.	LA465 LA466 LA467 LA468 LA469 LA470 LA471
3	Homonyms; Context Clues-The student will demonstrate knowledge in the following areas: homonyms; high frequency words; fluency with inflection of tone; vocabulary; reading a leveled text; context clues; and writing.	LA472 LA473 LA474 LA475 LA476 LA477 LA478
Chapter -"Phonics, Fluency, Comp: 7"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Suffix er; Inferences and Conclusions-The student will demonstrate knowledge in the following areas: the suffix er; high frequency words; fluency focusing on stress;	LA479 LA480 LA481 LA482 LA483

	vocabulary; reading a leveled text; making inferences and drawing conclusions; and writing.	LA484 LA485
2	Suffix est; Inferences and Conclusions-The student will demonstrate knowledge in the following areas: the suffix est; high frequency words; fluency focusing on stress and tone; vocabulary; reading a leveled text; making inferences and drawing conclusions; and writing.	LA486 LA487 LA488 LA489 LA490 LA491 LA492
3	Suffix ly; Identify Cause and Effect - The student will demonstrate knowledge in the following areas: the suffix ly; high frequency words; fluency with a review of fluent reading; vocabulary; reading a leveled text; cause and effect; and writing.	LA493 LA494 LA495 LA496 LA497 LA498 LA499
Chapter - "Phonics, Fluency, Comp: 8"-The student will engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Prefix re; Context Clues-The student will demonstrate knowledge in the following areas: the prefix re; high frequency words; fluency focusing on review of commas, question marks, and periods; vocabulary; reading a leveled text; context clues; and writing.	LA500 LA501 LA502 LA503 LA504 LA505 LA506
2	Prefix un; Details that Support Main Idea-The student will demonstrate knowledge in the following areas: the prefix un; high frequency words; fluency focusing on phrasing; vocabulary; reading authentic literature; supporting details; and writing.	LA507 LA508 LA509 LA510 LA511 LA512
Chapter - "Phonics, Fluency, Comp: 9"-The student will		

engage in a series of instructional assessment activities that enhance reading, writing, and comprehension.		
Lesson Code	Lesson Title and Description	LA Number
1	Suffix less; Read and Interpret Maps-The student will demonstrate knowledge in the following areas: the suffix less; high frequency words; fluency focusing on intonation and stress; vocabulary; reading a leveled text; reading and interpreting maps; and writing.	LA514 LA515 LA516 LA517 LA518 LA519 LA520
2	Suffix able; Summarizing-The student will demonstrate knowledge in the following areas: the suffix able; high frequency words; fluency focusing on characterization; vocabulary; reading a leveled text; summarizing; and writing.	LA521 LA522 LA523 LA524 LA525 LA526 LA527
3	Prefixes, Suffixes; Identify Cause and Effect-The student will demonstrate knowledge in the following areas: multisyllabic words; high frequency words; fluency with a review of fluent reading; vocabulary; reading authentic literature; identifying cause and effect; and writing.	LA528 LA529 LA530 LA531 LA532 LA533

### Language Arts Extensions

Chapter -"Spiders - ILA"-An integrated thematic lesson on spiders engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number

1	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20188 20190 20191 20192 20345 20458
2	Sounds, Letters & Words-Through a series of learning activities, focused on discovery, recognition, and application, the student will practice phonetic skills. Students will experience words in a variety of modes, including rhyme and story.	20193 20194 20195 20196 20197 20198 20199 20200 20252
Chapter -"Bees - ILA"-An integrated thematic lesson on bees engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
3	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20201 20202 20203 20210 20211 20459
4	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story. -- Keywords: bees, phonics, consonant blends tw and tr, blending, segmenting, phonological awareness, decodable reader, pre-writing, authentic writing, story.-->	20204 20205 20206 20207 20208 20209 20223
Chapter -"Worms - ILA"-An integrated thematic lesson on		

worms engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
7	Teacher Materials-Student will identify and isolate initial sounds in words- gr; make words plural by adding s or es; read text to locate information; use a graphic to demonstrate comprehension; answer literal questions; make inferences from text to answer questions; use pictures and print to gather information; recall information; demonstrate knowledge/use of new vocabulary; write in response to a prompt; write to discover, develop, and refine ideas; and write for different purposes.	20482 20483
5	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness. Keywords: worms, story.	20212 20213 20214 20215 20216 20460
6	Sounds, Letters & Words-Through a series of learning activities, focused on discovery, recognition, and application, the student will practice phonetic skills. Students will experience words in a variety of modes, including rhyme and literature.	20217 20218 20219 20220 20221 20222 20253
Chapter -"Nutrition - ILA"-An integrated, thematic chapter on nutrition engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
7	Background/Story-The student will learn thematic content through	20225 20226

	discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20233 20234 20235 20461
8	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story. Keywords: nutrition, phonics, consonant blend sp, digraph -ck, blending, segmenting, phonological awareness, decodable reader, pre-writing, authentic writing, story.	20227 20228 20229 20230 20231 20232 20255
Chapter -"Hygiene - ILA"-An integrated, thematic chapter on hygiene engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
9	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20251 20257 20258 20260 20261 20462
10	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story. -- Keywords: hygiene, phonics, consonant blends nd & sl, word families, blending, segmenting, phonological awareness, decodable reader, pre-writing, authentic writing, story.-->	20270 20271 20272 20273 20274 20275 20276

Chapter - "Fitness - ILA"-An integrated thematic lesson on fitness engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
11	Background/Story-An integrated, thematic chapter on fitness engages students in a series of activities that are rooted in the reading process.	20277 20278 20279 20280 20281 20463
12	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20282 20283 20284 20285 20286 20287
Chapter - "Rain Forests - ILA"-An integrated, thematic chapter on rain forests engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
13	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20254 20256 20259 20262 20263 20464
14	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20264 20265 20266 20267 20268 20269
Chapter - "Arctic - ILA"-An integrated, thematic chapter on the Arctic engages students in a series of activities that are rooted in the reading process.		

Lesson Code	Lesson Title and Description	LA Number
15	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20288 20289 20290 20291 20292 20465
16	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The students will experience words in a variety of modes, including rhyme and story.	20293 20294 20295 20296 20297 20298
Chapter - "Deserts - ILA"-An integrated, thematic chapter on deserts engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
17	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20301 20304 20306 20309 20310 20346
18	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20300 20302 20303 20305 20307 20308
Chapter - "Directions - ILA"-An integrated, thematic chapter on directions engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number

19	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20311 20312 20313 20314 20315 20466
20	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20316 20317 20318 20319 20320 20321
Chapter -"Maps and Globes - ILA"-An integrated, thematic chapter on maps and globes engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
21	Background/Story -The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20322 20323 20324 20325 20326 20467
22	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20327 20328 20329 20330 20331 20332
Chapter -"Symbols and Keys - ILA"-An integrated, thematic chapter on symbols and keys engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
23	Background/Story-The student will learn thematic content through	20333 20334

	discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20335 20336 20337 20468
24	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20338 20339 20340 20341 20342 20343
Chapter - "Heat - ILA"-An integrated, thematic chapter on heat engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
27	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20363 20364 20365 20366 20367 20470
28	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20368 20369 20370 20371 20372 20373
Chapter - "Sound - ILA"-An integrated, thematic chapter on sound engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
25	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on	20358 20359 20360 20361

	vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20362 20469
26	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20396 20397 20398 20399 20400 20401
Chapter -"Light - ILA"-An integrated, thematic chapter on light engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
29	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20374 20375 20376 20377 20378 20471
30	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20379 20380 20381 20382 20383 20384
Chapter -"Hurricanes - ILA"-An integrated, thematic chapter on hurricanes engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
31	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic	20385 20386 20387 20388 20389 20472

	awareness.	
32	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20390 20391 20392 20393 20394 20395
Chapter - "Tornadoes - ILA"-An integrated, thematic chapter on tornadoes engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
33	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20347 20348 20349 20350 20351 20473
34	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20352 20353 20354 20355 20356 20357
Chapter - "Volcanoes - ILA"-An integrated, thematic chapter on volcanoes engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
35	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20402 20403 20404 20405 20406 20474

36	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20407 20408 20409 20410 20411 20412
Chapter - "Conflict Resolution - ILA"-An integrated, thematic chapter on conflict resolution engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
37	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20413 20414 20415 20416 20417 20457
38	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20418 20419 20420 20421 20422 20423
Chapter - "Following the Law - ILA"-An integrated, thematic chapter on following the law engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
39	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20424 20425 20426 20427 20428 20475
40	Sounds, Letters & Words-Through a series of learning activities focused on	20429 20430

	discovery, recognition, and application, the student will practice phonetic skills. The students will experience words in a variety of modes, including rhyme and story.	20431 20432 20433 20434
Chapter -"Goods and Services - ILA"-An integrated, thematic chapter on goods and services engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
41	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20435 20436 20437 20438 20439 20476
42	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20440 20441 20442 20443 20444 20445
Chapter -"Consumers and Producers - ILA"-An integrated, thematic chapter on consumers and producers engages students in a series of activities that are rooted in the reading process.		
Lesson Code	Lesson Title and Description	LA Number
43	Background/Story-The student will learn thematic content through discovery and achieve comprehension by reading literature with emphasis on vocabulary. Stories use controlled vocabulary to enhance phonemic awareness.	20446 20447 20448 20449 20450 20477
44	Sounds, Letters & Words-Through a series of learning activities focused on discovery, recognition, and	20451 20452 20453

	application, the student will practice phonetic skills. The student will experience words in a variety of modes, including rhyme and story.	20454 20455 20456
