- Fabric shown:** 280405
- Standard back style:** Loose pillow inside back (not available in other back styles)
- Wood finish shown:** Shagbark
- Wood finishes available:** See "Wood Trim Options" pages in price list
- Design note:** Due to the one piece arm and ear design of the 944 Chair, horizontal and vertical patterns cannot be fully matched. **Consequently, we do not recommend plaids or stripes on the 944 Chair.**

*"Comfort Wrinkles" are designed to appear in this style to enhance the exceptionally soft feel of the seat and back cushions.*
