NOTICE: TuffStuff continually engages in research related to product improvement. As a result, the product received by the customer may differ slightly from its published description. Improvements in materials, production techniques and design refinements may at any time be introduced into our products. TuffStuff reserves the right to make changes in its product without notice.

EXCLUSIVE FEATURES:

Swivel low row pulley station exclusively for AXT-3 and 5 only.

Built-in beverage holder and hangers for accessory items.

Illustrative exercise flip chart with waterproof clear lamination.

Optional AXT-DLE Leg Developer (seated leg extension/seated leg curl) with patented gravity-latch & thigh-hold down pads.

Optional AXT-SLE Leg Developer (seated leg extension/standing leg curl) with adjustable roller pads.

Steel pulley covers & swivel pulley provide safety and precision alignment.

Trigger-release provides convenient press arm adjustments for chest, shoulder and mid-rows exercises.

Combination cable release and spring loaded plunger makes range of motion adjustments quick & easy.

Standard colors: Black & Cadet superbly crafted "tuck-n-roll" two-tone upholstery.

QUALITY & PERFORMANCE

For nearly four decades TuffStuff has pioneered the development of single and multi-stack home gym systems by focusing on product quality and performance. Many TuffStuff design innovations, mechanical movements and engineering features are patented originals. TuffStuff is committed to improving the lives of its customers by providing quality fitness products and solutions that earn their trust and build lifetime relationships.
