

Latest Software : “ AL1-R200-L302-W33 “ is Out

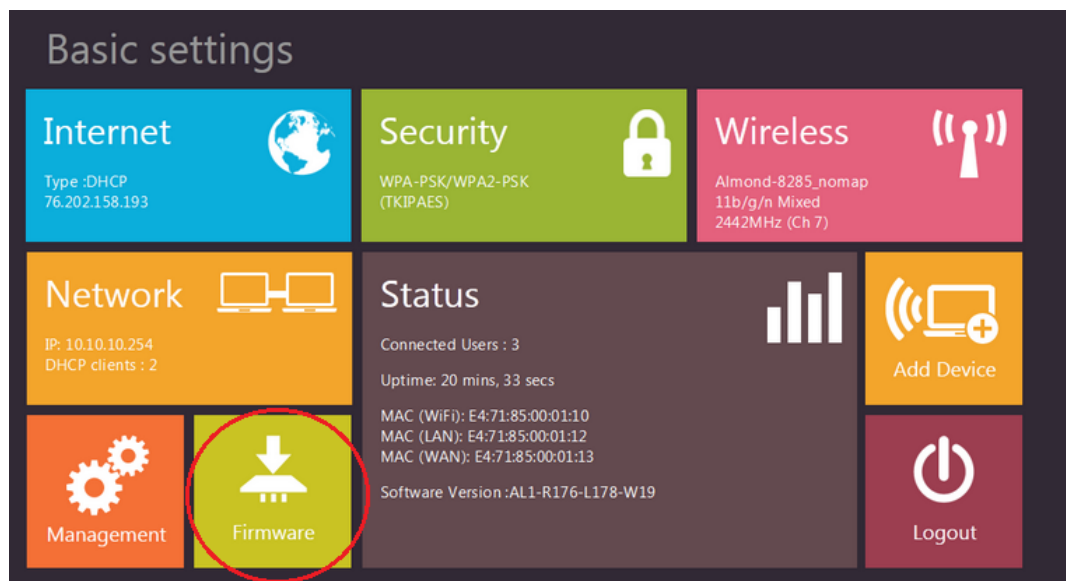

Please Note: It is imperative that these instructions are followed. Any non-conformance could seriously hamper your experience with the Almond router. If you have any further questions, please feel free to send us an email at support@securifi.com or call us at **1-855-969-7328** (Toll-free), Monday to Saturday from 10:00 AM to 10:00 PM EST. We would be happy to assist you further.

Download link : Latest Software can be download via

<http://firmware.securifi.com/AL1/AL1-R200-L302-W33>

→ Steps You have to follow to update the firmware via WEB UI

1. Use the URL and Login credential that you got in “WEB Admin “ section to access the WEB UI of Almond Plus.
2. Please locate the “Firmware” as highlighted in the image below.

3. Click on “Firmware” and Choose File (Select the download file) and click on Apply.
