

## Elko County Ambulance Service Special EMS Service Program

Elko County Ambulance Service (ECAS) understands the importance of providing EMS services during special events or community programs. The enclosed Special EMS Service Agreement must be utilized in order to arrange any special EMS coverage by Elko County Ambulance Service.

Special EMS Services differ depending on the organization requesting (government vs. business vs. nonprofit) services and the contents of the enclosed agreement should be carefully reviewed and completed depending on the nature of your event and hosting organization.

In order for any organization or governmental entity to request special standby services from ECAS, the enclosed agreement must be requested, completed, signed and returned to ECAS at least 72 hours prior to start of any single occurring special event. Extended events, multi-day events, or large events requiring special EMS services beyond one ambulance should be arranged and this agreement returned to ECAS at least fourteen (14) days prior to the start of the event.

Although Elko County Ambulance Service will make every effort to provide the level of service requested, no specific level of service or coverage can be guaranteed due to the nature of EMS services and the fact that the first priority of ECAS is always response to 911 calls made by Elko County Citizens. Please read the enclosed agreement carefully for details.

Elko County Ambulance Service always seeks to provide the best EMS services to citizens and those requesting special services and we always welcome feedback should you have any questions or concerns.

To complete the process of requesting special standby services from Elko County Ambulance Service, please accurately complete the enclosed agreement and submit it to ECAS before applicable deadlines.

# Elko County Ambulance Service Special EMS Service Program

THIS AGREEMENT, entered into this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_\_

by and between Elko County Ambulance Service (ECAS) and

\_\_\_\_\_ (SERVICE USER).

WHEREAS, "SERVICE USER" is desirous of contracting for special EMS services; and  
WHEREAS, "ECAS" is willing to provide such services under the terms set forth herein;  
NOW, THEREFORE, it is agreed as follows:

1. "ECAS" Agrees to provide the following marked special service(s) to the "SERVICE USER" named above:

\_\_\_\_\_ A. DEDICATED EMS AMBULANCE STANDBY

*Available to ANY "SERVICE USER"*

Standby ambulance service, meaning an ambulance with two medical technicians will locate themselves at a function or event and will remain dedicated to that event, and will not be available for other routine EMS calls in the area. Dedicated standbys are subject to the availability of "ECAS" crews and resources, *see item #3 for additional details*. The fee for this service is **\$90.00** per hour or any part thereof with a minimum charge of two (2) hours.

\_\_\_\_\_ B. NON-DEDICATED EMS AMBULANCE STANDBY

*This option is ONLY available to NONPROFIT AND GOVERNMENTAL "SERVICE USERS" (refer to item #4 for additional details)*

Standby ambulance service, meaning an ambulance with two medical technicians, will locate themselves at a function of event but will remain available for EMS calls in the area. If the ambulance is dispatched to another EMS call, a replacement ambulance/crew will be routed to the events as soon as possible, but consistent event coverage is not guaranteed and gaps in coverage may occur. There is no fee for this service.

2. "ECAS" Agrees to provide the above marked special service(s) to the "SERVICE USER" named above for the dates, times, and locations specified in the "STANDBY AND USER INFORMATION SECTION."
3. **Due to the call volume of the Elko County Ambulance Service, Dedicated Standby Services are subject to the availability of off-duty crews and spare ambulance units. In addition, even if a "SERVICE USER" requests and agrees to the conditions of Dedicated Standby Services, certain extreme, catastrophic, or immediate life-threatening emergencies may still require "ECAS" to utilize the technicians/ambulance assigned to the Dedicated Standby. If this occurs during a scheduled Dedicated Standby (with this AGREEMENT in place), and a lapse of onsite EMS coverage occurs, another ambulance/crew will be immediately routed to the event as soon as possible, and all fees associated with this AGREEMENT will be waived.**
4. Upon completion of Dedicated Standby Services, "ECAS" will bill "SERVICE USER" for all costs associated with this agreement and "SERVICE USER" agrees to pay all fees within 30 days of invoice receipt.

7. **If the "SERVICE USER" is entering into this agreement as a NONPROFIT organization AND requesting a NON-DEDICATED STANDBY, a copy of the "SERVICE USER" organization's IRS Determination Letter MUST be attached to this agreement to qualify for waived fees. Governmental agency confirmation will be conducted by "ECAS" before any "SERVICE USER" filing as such will be provided service by "ECAS" for waived fees.**
8. The parties agree that commercial service/for profit events and users are not eligible for non-dedicated standby (no fee) services and the "SERVICE USER" will be billed, and agrees to pay, for special EMS services following the conclusion of the event.
9. This Agreement shall begin upon approval of this document and shall terminate at the conclusion of the requested service performed. This Agreement may be cancelled by either party by giving 48-hours advance notice. Cancellation of event or requested service with less than 48 hours notice, for which "ECAS" incurred costs for either supplies or personnel, the "SERVICE USER" agrees to pay for actual time the EMS unit was dedicated (including travel) and/or for one hour of time, whichever is greater.
10. Nothing herein shall be construed to create a higher standard of care on the part of "ECAS" than generally recognized under the laws of the State of Nevada for EMS services.
11. The charges provided for herein reflect only those charges associated with making EMS services more readily available to the "SERVICE USER". The normal charges for care and transportation of patients will be the responsibility of the patient.
12. "ECAS" shall supply an EMS unit with the necessary equipment, tools, materials, and/or supplies as outlined by the Nevada State Health Division Office of Emergency Medical Systems to accomplish the job agreed to be performed unless otherwise agreed in writing.
13. The "SERVICE USER" agrees to provide a means of shelter from the environment sufficient enough to perform the requested service and sanitation provisions for the "ECAS" personnel if the situation deems necessary.
