

High-welfare West Country veal at Yeovil and Dorchester

As mentioned in our last newsletter our new range of Brookfield Farm Veal arrived at MVF Yeovil and SCATS Dorchester this month.

Eric, Liz and James Sealey run Fossil Farm near Dorchester, where they specialise in rearing welfare-friendly veal. Their company was set up in 2008 and is now supplying top-quality veal to some of the UK's top restaurants.

The family source bull calves from local dairy farms and rear them on a varied diet including milk replacement, home grown cereals and straw. The Sealey's have invested in purpose-built housing, which helps maintain good health and has achieved RSPCA Freedom Food accreditation.

Why not try some of this new range, available now at MVF Yeovil and SCATS Dorchester.

David Price, DB Foods, Sue Langford, Manager, SCATS Dorchester, Caroline Burrows, SCATS Product Manager and producers, Eric and James Sealey
