for the half year from July 1, 2009 to
December 31, 2009 (Unaudited)

## 1. ORGANISATION AND OPERATIONS

Butterfield International Balanced Fund (the "Fund") was established as an open-ended multi class Unit Trust under the laws of the Cayman Islands by a Trust Deed dated June 18, 1996 (the "Trust Deed ") executed by Butterfield Bank (Cayman) Limited as trustee (the "Trustee") and Butterfield Fund Services (Cayman) Limited as manager (the "Manager"). On December 15, 2008, the Trustee amended and restated the trust deed for the Fund, in which Butterfield Fulcrum Group (Cayman) Limited ceased being the Fund's Manager, and was immediately reappointed as the Fund's Administrator. Certain powers which had been delegated by the Trustee to the Manager, were re-assumed by the Trustee. The Fund is registered as a Mutual Fund under the Mutual Funds Law of the Cayman Islands.

On January 2, 1998, the Trustee and the Administrator executed a Supplemental Trust Deed creating the Sterling Class Units of the Fund.

The US Dollar Class and Sterling Class of the Fund commenced operations on July 17, 1996 and January 21, 1998, respectively, and are administered by Butterfield Fulcrum Group (Cayman) Limited (formerly Butterfield Fund Services (Cayman) Limited), a Cayman Islands licensed Mutual Fund Administrator.

On January 30, 1998 the Fund listed the US Dollar Class and the Sterling Class of the Fund on the Cayman Islands Stock Exchange. On January 18, 2000, the Fund listed the US Dollar and the Sterling Class on the Bermuda Stock Exchange.

The Fund's objective is to achieve long-term capital growth by investing in a global portfolio of money market instruments, eurobonds, government bonds and equities.

## 2. SIGNIFICANT ACCOUNTING POLICIES

The preparation of financial statements in accordance with Canadian generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reported period. Actual results could differ from the estimates.

The principal accounting policies are as follows:

## a) Investments

Securities listed on a recognized exchange are valued at the last reported bid price on the day of valuation.

Securities for which there were no sales on that day are valued at the median price between the securities last bid price and asked price on the day of valuation.

The computation of the cost of sale of securities is made on the basis of the average cost. Purchases and sale of securities are accounted for on the transaction date, and the difference between the sale price and the cost is included in realized gain/(loss) on investment in the statement of operations.

Notes to the Financial Statements
for the half year from July 1, 2009 to
December 31, 2009 (Unaudited)

## 2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

b) Interest and dividend income

Interest and dividend income are accrued as earned.
c) Foreign currency translation

The functional currency of the US Dollar class is USD. The functional currency of the Sterling Class is GBP.
d) Fair value of financial instruments

The fair value of securities is considered to be the market value, which is based principally on quoted market prices. The carrying value of other financial instruments approximates their fair value principally because of the short-term maturities of these instruments.

## e) Recent accounting pronouncements

In February 2008, the Canadian Institute of Chartered Accountants ("CICA") announced that International Financial Reporting Standards ("IFRS") will replace Canadian GAAP in 2011 for profitoriented publicly accountable enterprises. The change will be applicable for fiscal years commencing on or after January 1, 2011. The Fund is currently developing its changeover plan. The Fund has determined that there will be no impact to net asset value per unit from the changeover to IFRS. The impact of IFRS on accounting policies and implementation decisions will mainly be in the areas of additional note disclosures in the financial statements of the Fund.

## f) Comparatives

Certain prior year disclosures have been amended to conform with the current year presentation.

## 3. RELATED PARTY TRANSACTIONS
