“Baker Furniture is about things chosen well  
rather than often.”

– HOLLIS BAKER

Baker speaks the language of style. Celebrated for the purity of its work, from striking original proportions to inspirations from today’s most preeminent designers, Baker is the place for the classics and the unexpected.

Each collection is assembled one item at a time, from wood acquired for it alone and from fabrics found the world over. Each piece reveals the hand of the craftsman — whether carving or inlay or a well-fit drawer — with no room for compromise and no two the same.
