Cub Cadet®

5 DISTINCT REASONS YOUR AUTHORIZED CUB CADET® DEALER IS ALWAYS A SMART CHOICE

1 UNSURPASSED EXPERTISE

Cub Cadet® dealers are outdoor power equipment specialists ready to expertly match the ideal Cub Cadet® products to your specific needs and budget. They'll even let you test drive them just to be sure. You can expect to have an enjoyable experience from the moment you walk in the door.

2 A MEMBER OF YOUR COMMUNITY

Each Cub Cadet® dealership is locally owned and operated. That means your Cub Cadet® dealer, employees and their families are active members of your community - many of them for multiple generations.

3 EXPERT SERVICE, SUPPORT AND CONVENIENCE

Friendly product experts and factory-trained service technicians assure your Cub Cadet® performs flawlessly from the start and keeps it running strong season after season. Need service? They'll even pick it up!

4 THE WIDEST SELECTION

Your Cub Cadet® dealer always has a wide selection of professional and residential Cub Cadet® products on hand so you can explore and compare. There's a Cub Cadet® for every challenge and every season.

5 GENUINE FACTORY PARTS AND ACCESSORIES

For optimum performance and durability, a full line of Genuine Factory Parts is available from the folks who know your Cub Cadet®.

CUB CADET® LAWN TRACTORS

Cub Cadet lawn tractors are the most advanced lawn tractor in its class. Starting with the Cub Cadet® Signature Cut™ for a flawless, professional-quality cut every time. With an ultra-tight turning radius and available Electronic Power Steering, you'll have more precision control than ever. Only Cub Cadet® could make it so easy to maneuver around landscaping and enjoy all-day comfort.

**NEW****CC30 RIDING MOWER**

The CC30 features a 30" cutting deck, 6-speed transmission, and a mid back seat that makes it easier than ever to get on and off your riding lawn mower. With an 18" turning radius, the CC30 couples the benefits of a standard riding mower with the size of a wide cut walk-behind, to get the job done faster.

Visit your local dealer for the widest selection of genuine Cub Cadet® products.

CUTTING DECK

The lawn tractor cutting decks offer 42" to 54" cutting widths with twin or triple blades overlapping to ensure that no grass is left uncut.

TURNING RADIUS

Cub Cadet® tractors have a tight 12" turning radius, reducing the need to backup.
