Builder Rebate Program

Through Channel Vision's Builder Rebate Program, qualified builders can receive cash rebates for incorporating Channel Vision products into their new home projects. Please review the Terms and Conditions on the application for further eligibility details.

- 1 Register your next building project with your Channel Vision Representative.**
- 2 Have your contractor place your order with Channel Vision.**
- 3 Builders receive a quarterly rebate check; Dealers receive a referral allowance!**

Rebate checks are issued to the Builder only. Dealers and distributors are not eligible. The Builders Rebate Program is subject to change without notice at any time prior to approval by Channel Vision. Except for those terms stated on the Rebate Approval Form for which Channel Vision has received full and complete payment. Channel Vision reserves the right to make modifications to, change or terminate the Builders' rebate and Model Home Programs at any time without notice. Rebates shall only be paid to those Builders who enroll in the Rebate Program, receive approval of the Project from Channel Vision, purchase the qualifying components whose completed projects fulfill the requirements of the Rebate Program and for which Channel Vision receives full and complete payment. No warranty or guaranty as to Channel Vision's product or services are being provided to Builders or installers or are to be implied from these materials including any warranty of merchantability or fitness for a particular use. Any warranty, guaranty or other service or product information shall be the subject of a written agreement for the acquisition of these products or services from Channel Vision. Channel Vision reserves the right to discontinue any and all rebates, products or services, without notice in the event of conditions beyond Channel Vision's control.
