

Checkstand Service Parts & Accessories Catalog

January 2012

From our President

Thank you for your interest in our growing company. For over 40 years we have consistently delivered a long line of innovative, superior quality and high value American made checkout and display solutions to the grocery industry. Pan-Oston has the experience and expertise to deliver on your metal or wood front-end or display needs better than anyone else.

With our standard checkout lanes we have a lane to fit any budget. Our Reddy lanes are our best value line and our Vantage lanes offer more options for you to choose from. Our Ergolane is leading the industry in terms of performance, features, aesthetics and represents our commitment to a “green” environment. We also have a very long history of providing our clients with made-to-order solutions throughout their stores.

Within in this catalog, you will find parts to keep your lanes running smoothly and accessories to improve the checkout experience for your customers and employees.

With practical and traditional items, Pan-Oston also brings you checkout innovation. Utopia is the only “Plug and Go” self-checkout solution that is affordable, allows you to use your existing peripherals works seamlessly with 98% of POS software. Utopia self-checkout provides your customers with greater convenience and speed of service and delivers significant labor and margin improvements to your store.

We also offer high quality and good value display solutions for tobacco, beer and wine, bakery, deli, floral and books/magazines as well as checkout display racks and an unsurpassable array of food service equipment and small ware products.

If you are looking for solutions for a single store or multiple stores that will increase customer satisfaction, efficiency and revenue, please give us a call and see why Pan-Oston is the one-stop grocery store outfitter.

Best Regards,

Jim Vance
President

Our History

Pan-Oston has been an industry leader in the design and manufacture of smart and innovative wood and metal retail counter and checkout solutions for over 40 years. Recently, the company has received rave reviews for its smart and simple self-checkout technology solution designed for independent grocers and C-Stores that is considered by many to be “best in the world.”

Pan-Oston prides itself on developing superbly engineered, premier quality, high value, long lasting and ‘Made in America’ products that are LEED compatible and truly solve problems for their customers while enhancing the overall shopping experience.

- 1968 Subsidiary of Halton, OY, a Finnish manufacturer introduces checkout/counter products to North American markets.
- 1978 North American production began in Peterborough, Canada.
- 1988 Glasgow, KY plant expands to accommodate growing demand for Pan-Oston products and services.
- 1992 Glasgow, KY plant expansion to meet increased demand.
- 2002 Pan-Oston acquired by Houchens Industries, Inc. of Bowling Green, KY, one of the largest ESOP companies in the United States.
- 2005 Relocated Glasgow manufacturing plant to new state-of-the-art 200,000 square foot green manufacturing facility and Corporate Office in Bowling Green, KY. Among the many green features used in the facility is the latest in powder paint technology.
- 2005 Acquisition of 75,000 square foot wood fixture and millwork facility in Hiram, Ga. that had state-of-the-art CNC wood manufacturing and edge banding equipment.
- 2006 Expanded Bowling Green facility by an additional 100,000 square feet and acquired our first automated Salvagnini metal machining and bending equipment. Began development of the patent pending Utopia Self-Checkout and C-Flex family of products.
- 2008 Introduced Reddy™, Vantage™, Ergolane™, C-Series™, C-Flex™ and Utopia™ catalog brands.
- 2009 Relocated Hiram, GA plant to Bowling Green expanding product and service value.
- 2009 Expanded Bowling Green operations with a 5,000 square feet dedicated “clean and controlled” Electronic Assembly Area to accommodate growing demand for Utopia self-checkout technology and a 24/7/365 control center to monitor live Utopia checkout lanes.

Pan-Oston is proud to export our “American made” products to Asia, South America, Europe, New Zealand, Australia and the Caribbean. The pride, commitment to excellence and “it can be done” attitude of our 250 plus associates will ensure that Pan-Oston continues to be an industry leader in retail checkout, display and counter fixtures for decades.

Terms & Conditions

- 1. Delivery/Freight** – All shipments made F.O.B. from our plant. Not responsible for delays caused by circumstances beyond our control. If the purchaser or carrier refuses delivery or delays shipment or acceptance, the goods may be stored according to Seller's directions, at Purchaser's risk and expense. During any period of storage provided herein, title to the goods and risk of loss shall be in Purchaser.
- 2. Returns** – A written Return Material Authorization (RMA) is required in cases where a return is authorized. The RMA number must be prominently displayed on the returned product. Authorized returns will be assessed a 25% restocking fee. All return freight to be paid by the Customer.
- 3. Shortages** – Claims on shortages must be made within five (5) days from date of delivery.
- 4. Changes** – Prior to acceptance of order, prices, terms, and conditions are subject to change without notice.
- 5. Order Changes and Cancellation** – Order changes and cancellation may result in a charge that reflects any materials, parts, or assemblies that are unique to the order.
- 6. Taxes** – Purchaser shall pay in addition to the contract price any and all sales, use, excise, retailers occupation and/or other taxes payable by reason of this transaction, with any interest and penalties thereon.
- 7. Warranty** – See Page 27.
- 8. Limitation of Liability** – Seller will in no event be liable for indirect, special or consequential damages whatsoever from claims of breach of warranty, negligence, strict liability or otherwise arising out of this agreement, and Seller's liability under no circumstances will exceed the contract price for the goods for which liability is claimed.
- 9. Terms of Payment** – Payment in full is due within terms of sale, unless otherwise specifically agreed to by the parties in writing. If payment is not made in full when due, Seller may require, with respect to any orders then outstanding full or partial payment in advance or shall be entitled to cancel or defer any of such orders of items or quantities thereon and shall be entitled to payment to Purchaser for all damages. Purchaser agrees to pay a service charge of 1.5% per month or the highest rate permitted by law, whichever is less, from the date of any invoice which is not paid in full when due.
- 10. Price Terms** – All prices quoted are subject to change without notice until Purchaser's order is accepted by Seller. Prices stated on Seller's acknowledgement for orders, or items or quantities thereon, accepted by Seller for scheduled shipment within 30 days from date of order, are not subject to upward or downward adjustment. All prices for orders accepted by Seller for scheduled shipment after 30 days from date of acceptance are subject to upward or downward adjustment at time of shipment to Seller's prices in effect on scheduled date of shipment.

Limited Warranty

To The Purchaser (Non-Transferable)

1. Pan-Oston warrants all new products to be free from defects in material and workmanship at the time of shipment.
2. In the event of any failure, the defective parts will be replaced without charge for the part or labor, for a period of **one (1) year for metal and ninety (90) days for wood** from the day of shipment under the following conditions only:
 - a) That the damage was sustained under normal use and service and was not due to exterior influences or operations beyond capacity.
 - b) That the products covered by this warranty were used only in conjunction with Pan-Oston approved parts.
 - c) That the Purchaser gives Pan-Oston immediate written notice of such defect or defects and that all faulty parts or equipment are returned to Pan-Oston with prior authorization from Pan-Oston.
 - d) Any alteration or repair by others in such a manner as in Pan-Oston's judgment materially and adversely affects the product shall void this warranty.
 - e) That the method of shipment for any replacement part will be regular ground at Pan-Oston's expense, with the carrier being determined by Pan-Oston. Customer requests for alternate carriers for shipment of replacement parts, will be at the customer's expense unless approved by Pan-Oston.
3. **(IF APPLICABLE)** With respect to the motor, the warranty shall be for a period of **3 (three) years**, subject to the same conditions listed in Item 2. After the first year, the shipping and installation costs will be the responsibility of the customer. With respect to the idler roller and control module, the warranty shall be **one (1) year** from the date of purchase. After the first year warranty expires, all replacement costs will be the responsibility of the customer.
4. Pan-Oston's obligation under this warranty is expressly limited to the repair and replacement obligations set forth in Paragraphs 2 and 3, in accordance with the stipulations set forth in this warranty. Pan-Oston's obligation under this warranty shall not include any transportation charges or cost of installation or any liability for special, direct, indirect, or consequential damages of delay. Correction of nonconformities, in the manner provided above, shall constitute fulfillment of all liabilities of Pan-Oston, whether based on contract, negligence or otherwise with respect to, or arising out of such products. In no event, whether in contract, in tort, under any warranty, or otherwise including, without limitation, the negligence of the company, its employees or agents, shall Pan-Oston be liable for any damages beyond the price of the faulty or defective parts and equipment.
5. No person, company or corporation is authorized to assume for Pan-Oston any other liability in connection with said products. Under no circumstances is Pan-Oston liable for damage resulting from faulty or improperly installed equipment or from misapplication beyond normal intended use of said equipment. There shall be no third party beneficiary to any warranties set forth herein.
6. This constitutes the only warranty of the company and no other warranty or condition, statutory or otherwise shall be implied.
