Reminders

Complete all required fields. Make certain to enter the following identifying information:

- Put the insured's alpha prefix and identification number in Field 1a.
- Put the insured's policy group number in Field 11.
- Put the physician or supplier's billing name, address, ZIP code, telephone number and NPI number in Field 33.

The information required to file electronic claims is the same as for paper claims but there are major advantages to submitting electronic claims versus paper claims:

- You will reduce your overhead, electronically submitted claims can save hours of clerical time.
- You have better control and accuracy. Electronic claims are entered in the BCBSIL's system just the way they leave your office.
- You know when your claims are received because your office receives special reports detailing which claims were accepted. If there is a problem with your claim, you can correct it before the claim is processed.

To obtain more information on electronic claim filing, call 800-746-4614 or log on to bcbsil.com.
