

# Trunk & Storage Products from Havis

Havis offers an expansive options for trunk and storage area equipment mounting. From existing popular designs such as slide-out trunk trays & trunk side mounts to new and exciting products such as Trunk Fold Downs and Universal Storage Boxes, we have your needs covered.

## Slide Out Trays

Havis has enhanced the slide out trunk tray product family. Based on industry feedback, we have incorporated new and improved heavy-duty slides that not only provide additional strength, but also latch in the closed and open position. This latest design also allows for easy installation of electronic equipment with a new removable mounting tray. These upgraded slide out trays are available for purchase immediately, as the older style was discontinued at the end of August.

## Trunk Fold Down Trays

In an effort to solve the challenge of the trunk dimensions in newer vehicles, Havis is proud to announce an industry-first product called the Trunk Fold Down (Patent Pending). These heavy-duty trays are designed to mount electronics and equipment securely and safely on a convenient hinged platform that easily folds up, keeping equipment protected and freeing up valuable trunk space. This product even allows unrestricted access to the spare tire.

## Universal Storage Box for Utility Vehicles

For the utility vehicle owners, Havis offers a new product – the Universal Storage Box. While it is a rectangular box that is interchangeable between vehicles, it has many similarities to the Trunk Fold Downs by providing a safe and secure mounting location for mission-critical devices.
