BY CAR

Stag Hill
Guildford is 30 miles south-west of London, on the A3 London-Portsmouth road. If approaching from London or the M25 (Junction 10), remain on the bypass (A3) until you reach the exit signed to the Cathedral and University. The campus is very close to this junction. Simply follow the signs to the University, being careful not to follow signs to the town centre.

On the A322 or A323 from Bagshot or Aldershot, at the A3 roundabout take the exit signed to Portsmouth, and then turn off the A3 at the first exit (signed to the Cathedral and University).

If entering Guildford from Horsham (A281) or Godalming (A3100), leave the central gyratory system at the exit signed for Farnham (A31). After approximately 200 yards, at the mini-roundabout, take the first turning right into Guildford Park Road, and continue along Madrid Road and The Chase for a mile. At the next roundabout, take the third exit for the University entrance.

Manor Park & Surrey Sports Park

Manor Park and Surrey Sports Park are only a few minutes' drive from the main Stag Hill campus. Go out of the main University entrance, straight ahead under the A3 and across the first roundabout. Turn left at the traffic lights for Surrey Sports Park, go straight on for Manor Park and Research Park.
