Absolute Auction Complete Liquidation Kusevich Contracting, Inc. Thurs., Feb. 12, 2015 – 9:00AM Cheswick, PA (Pittsburgh Area)

Notice: Kusevich Contracting, Inc. has been providing general contracting services since 1958 for both the private and public sectors. Throughout this time, much of the carpentry, concrete, demolition and utility work was self-performing. George Kusevich, Jr., second-generation president, has decided to realign their offerings, which will eliminate the self-performing aspect along with related equipment and tools. Kusevich Contracting however, will continue to offer their solutions throughout western PA. All items are owned by Kusevich and will sell to the highest bidder without minimums, reserves and buyers premiums.

Location: The auction will be held at 820 Route 910, Cheswick, Pennsylvania 15024

Sales Tax: Since this contractor is selling items not normally sold in the course of his business, the Commonwealth of Pennsylvania considers this an isolated sale and does not require the auction company to collect sales tax.

Removal: After complete payment, all sale items may be removed on sale day as long as the removal activity is not disruptive to the sale and only until 5:00PM. Items may also be removed Friday, February 13th and Monday thru Wednesday, February 16th thru February 18th, from 8:00AM until 4:00PM. All items must be removed no later than Wednesday, February 18, 2015 at 4:00PM
