Ordering from this Catalogue

We hope that you have found something of interest to you in our latest catalogue. All instruction books, workshop manuals and parts lists, unless otherwise stated, are reprints from the BJS range, the publisher is given where possible for all other publications. Most of the merchandise in this catalogue, as well as our range of spares etc. can also be purchased from our trade stand, which can be found around the UK during the rally season.

Please only order from this catalogue as it replaces all previous editions and we cannot guarantee availability of goods or the prices quoted in any earlier editions. New additions are shown in bold. If this list is more than 6 months old please check prices before ordering. This list contains everything currently available from us. Please confirm prices with us for books published by Motor Books International prior to ordering, as these are imports from the USA and prices cannot be guaranteed.

Although we pride ourselves on our reputation for prompt service due to the vast range we offer it is impossible to guarantee that all items are in stock at all times. However, any that are not will be obtained for you as quickly as possible.
