# MAKEUP ARTIST NETWORK

### A division of Make-up Channel, Inc.

At Make-up Channel, Inc., we understand every facet of running a successful makeup business. Our collection of Companies in the Professional Makeup Industry reveals our years of experience in all aspects of the beauty market and our commitment to providing the newest, purest, high-tech and high-performance products and services. Our experience as Makeup School owners in the most demanding of markets, Hollywood, ensures that we not only understand the needs of makeup professionals, but also the responsibilities.

### Premium Makeup Products

We know products. It's that simple. Our founders are Professional Makeup Artists who used their vast knowledge and experience to design a premium, portable mineral make- up line that offers Makeup Artists maximum color control and versatility.

Our unique product line caters to the ultimate make-up professional. We offer stunning and chic portable makeup kits (complete with palettes), modular retail counter displays for artists who work in a studio/spa/salon, and a full assortment of retail products in prestige black packaging. All of our retail products can be private labeled, if desired.

Whether you work out of your kit, in a studio/spa/ salon, or school we have the perfect products to complement your work environment.

# FACE

### TINTED MOISTURIZER

FACE-FOU-TM-(COLOR#)-PF

A lightweight, oil-free moisturizer that acts as a sheer foundation while hydrating the skin. Available in three shades: light, medium and dark.

# DUAL FINISH WET/DRY MINERAL FOUNDATION

FACE-FOU-DWD-FP-(COLOR#)-B

Try our top selling dual finish wet/dry mineral based foundation. Velvety oil-free powder foundation that may be applied wet or dry to produce a smooth matte finish. Provides excellent coverage. May be used as a finishing powder over liquid foundation.

### {ALSO AVAILABLE IN TABLET FORM: FACE-FOU-DWD-FP-(COLOR#)}

### TRANSLUCENT LOOSE POWDER

FACE-PWD-LP-(COLOR#)-LB

Translucent powder is essential for a "finished" look. When applied after makeup, this powder helps set makeup for longer wear. Translucent powder also helps control shine giving the face a matte finish. Because this powder is translucent, many skin tones can wear the same shade. The three translucent shades offer a variety to blend with all skin tones (001, 002, 004).

Our unique tan/evening gold (003) is a golden powder with a slight frost. Perfect to brush over forehead, cheekbones, shoulders, etc. on any skin tone.

# FACE

## PICTURE PERFECT TOTAL COVERAGE HD FOUNDATION

FACE-FOU-HD-FS-(COLOR#)-B

Our creme foundation is lightweight and applies onto skin beautifully for a satin finish. Medium to full coverage. Great for photography and television. Apply with a sponge or brush.
