If additional information is required on a specific item, please contact the Veteran Services Division at: 303-215-5245.

How to Order

The Remote Order Entry System (ROES) simplifies the ordering process. Facilities are able to place orders electronically which increases the accuracy in the ordering process and allows the tracking of the order status on-line. Specific ordering information is described below.

VA Prosthetic and Sensory Aids Service

VA Audiology and Speech Pathology Service

Orders should be placed through ROES. Please refer to the “ROES Training Manual and Reference Guide” for specific instructions on placing an order. Items can be shipped to the requesting service or specific veteran.

Individual veteran records should be established through ROES by the appropriate VA service. Once established in DALC records as having continuing eligibility status, veterans then may order the following items directly from the DALC:

Batteries: Complete and mail VA Form 2346, “Request for Hearing Aid Batteries and Accessories.” A replacement order card (VA Form 2346) is enclosed with the supply of batteries for use when more are needed.
