Brief Industrial Profile of Haridwar District

1. General Characteristics of the District

Haridwar district is a district in the state of Uttarakhand, India. It is headquartered at Haridwar which is also its largest city. The district is ringed by the districts Dehradun in the north and east, Pauri Garhwal in the east and the Uttar Pradesh districts of Muzaffarnagar and Bijnor in the south and Saharanpur in the west. A paradise for nature lovers and one of the seven holiest places of Hinduism, Haridwar presents a kaleidoscope of Indian culture and civilization.

Haridwar district came into existence on 28 December 1988 as part of Saharanpur Divisional Commissionary, On September 24, 1998 Uttar Pradesh Legislative Assembly passed the 'Uttar Pradesh Reorganisation Bill', 1998', eventually the Parliament also passed the Indian Federal Legislation - 'Uttar Pradesh Reorganisation Act 2000', and thus on 9 November 2000, Haridwar became part of the newly formed Uttarakhand (then Uttaranchal), the 27th state in the Republic of India.

As of 2011 it is the most populous district of Uttarakhand (out of 13). Important towns in the district are Haridwar, BHEL Ranipur, Roorkee, Manglaur, Dhandera, Jhabrera, Laksar, Landaura and Mohanpur Mohammadpur.

According to the 2011 census Haridwar district has a population of 1,927,029, roughly equal to the nation of Lesotho or the US state of West Virginia. This gives it a ranking of 244th in India (out of a total of 640). The district has a population density of 817 inhabitants per square kilometre (2,120 /sq mi). Its population growth rate over the decade 2001-2011 was 33.16 %. Haridwar has a sex ratio of 879 females for every 1000 males, and a literacy rate of 74.62

Being a place of intense religious significance, Haridwar also hosts several religious festivals throughout the year; popular among them are the Kavadi Mela, Somvati Amavasya Mela, Ganga Dashara, Gughal Mela, in which around 20-25 lacs (2-2.5 million) people take part.

Apart from these, there is the mammoth Kumbh Mela which takes place once in every twelve years, when the planet Jupiter (Brihaspati) comes into the sign Aquarius (Kumbha). First written evidence of the Kumbha Mela can be found in the accounts of Chinese traveller Huan

Tsang or Xuanzang (602 - 664 A.D.), who visited India in 629 AD. The 1998 Maha Kumbh Mela saw over 80 million pilgrims visiting this city, to take a dip in the holy river Ganges.

1.1 Location & Geographical Area

Haridwar district, covering an area of about 2360 sq.km. is in the western part of Uttarakhand state of India. It's latitude and longitude are 29.58 degree north and 78.13 degree east respectively. The height from the sea level is 249.7 mts. The district came into existence on 28th Dec. 1988. Prior to its inclusion in the newly created state of Uttarakhand, this district was a part of Saharanpur Divisional Commissioner. The district is ringed by Saharanpur in the west, Dehradun in the north and east, Pauri Garhwal in the east, Muzaffar Nagar and Bijnor in the south. The district headquarter is situated in the Roshnabad, at a distance of about 12 kms from railway station. The Collectorate, Vikas Bhawan, District Judiciary, S.S.P. Office, Police line, District Jail, District sports stadium, Jawahar Navodaya Vidyalaya etc. are the prime establishments of this area. The district is administratively subdivided into three tehsils i.e. Haridwar, Roorkee and Laksar and six development blocks i.e. Bhagwanpur, Roorkee, Narsan, Bahadrabad, Laksar and Khanpur. Haridwar is one of the first towns where Ganga emerges from the mountains to touch the planes. As per the 2001 census, the population of the district is 14,44,213. Due to Haridwar's location on the bank of river Ganga, it has plenty of water resources and almost all kind of food grains are produced here in abundance.

1.2 Topography

Temperatures:

- Summers: 15 °C - 42°C
- Winters: 6°C - 16.6°C

The temperature during the summer months ranges from 15 C - 42 C, while in the winter months the temperature varies within 6 C 16.6 C. Monsoon rains occurs mainly during the summer time in Haridwar District.

ECONOMY

Agriculture is the mainstay of this well irrigated district. Industrialisation had commenced with the establishment of Central Government owned Public Sector plants (PSUs) of Hindustan Antibiotics Limited and Bharat Heavy Electricals Limited, in pre-Uttarakhand 1960s period. The State Industrial Development Corporation of Uttarakhand (SIDCUL) has now established one new 'industrial development zone' in the district, adjacent to Shivalik Nagar near Haridwar, to encourage industrialization; with industrial giants like Hindustan Lever, Dabur, Mahendra & Mahendra and Havells having moved in, it is making the desired progress. Not insignificant to the district's economy is the contribution of Hindu pilgrims who visit the holy places and attend the religious fairs in large numbers.

1.2 Availability of Minerals.

In Haridwar district major minerals available are Sand, Stone and Gypsum. According to Geology and Mines Unit, Directorate of Industries, Uttarakhand, Dehradun the revenue from minerals available in District are as under

PRODUCTION OF MINERAL 2010-11

S.NO.	YEAR	REVENUE EARNED (Rs)
1	2009-2010	65792755 /-
2	2010-2011	68430147 /-
MINERALS- Sand,Stone , Gypsum (RBM)

1.4 FOREST

Under forest Department, there is National level Park known as Rajaji National Park. The park has been created in 1983 by amalgamation of three sanctuaries- Rajaji sanctuary (estd. 1948) Motichur sanctuary (estd. 1964) and Chilla sanctuary (estd. 1977) after the name of renowned statesman and freedom fighter Sri C. Rajgopalachariya - The first and last Governor General of independent India popularly known as "Rajaji". The park is spread over an area of 820.42 sq. km. in three Districts- Dehradun, Haridwar & Pauri Garhwal of Uttaranchal State, India.

The Park has got the largest area representing Shiwalik Eco-system. The Shiwalik trail is 10 million year old and very rich in fossils. It's fossils faunal remains include about 50 species of elephant, one of them is present today. The majestic **Ganges** flows through the National Park for a distance of 24km, besides the innumerable streams and brooks making it rich and diverse. It offers ample opportunities to nature lovers to enjoy the captivating landscape and wildlife.

Rajaji is thickly foliated predominantly by the Rajaji is thickly foliated predominantly by the **Sal Forest** and a number of other forest types which include the Western Gangetic Moist and Northern dry Deciduous and Khair-Sissoo forests. Low Alluvial Savannah Woodlands cover the drier southern margins of the park, in contrast to the Shiwalik Chir-Pine on the high reaches of the hills.

The park is home to the **Tiger, Leopard, Himalayan Bear, Cheetal, hog deer, barking deer, Sambar deer, wild boar, antelopes such as the Nilgai, Goral, Jackal, Hyena, Jungle Cat, Leopard Cat, Civets, Himalayan Yellow-Throated Marten, Sloth Bears, Pythons, King Cobra, Common Krait, Indian Cobra and the Monitor Lizard.**

1.5 Administrative set up.

Haridwar district came into existence on 28th Dec. 1988. Prior to its inclusion in the newly created state of Uttarakhand, this district was a part of Saharanpur Divisional Commissioner. The district is headed by District Magistrate/District Collector/Deputy Commissioner. The district headquarter is situated in the Roshnabad, at a distance of about 12 kms from railway station. Good transport service is available in the form of local bus, tempo (vikram) to reach Roshnabad. The Collectorate, Vikas Bhawan, District Judiciary, S.P. Office, Police line, District Jail, District sports stadium, District navodaya Vidyalaya etc. are the prime establishments of this area. The district is administratively subdivided into three tehsils i.e. Haridwar, Roorkee and Laksar and six development blocks i.e. Bhagwanpur, Roorkee, Narsan, Bahadrabad, Laksar and Khanpur. The subdivisions are headed by Sub Divisional Officer, normally called SDM. Each subdivision serves the purpose of general, criminal and revenue administration of the district. For development works, a chief development officer (CDO) is posted at district head quarter who heads a team of Block Development Officers at blocks. The office of CDO is located in Vikas Bhawan at Roshnabad.

3.8.2 Major Exportable Item:

Major exportable items in Haridwar Districts are

- FABRIC SHELTER,
- ADHESIVES,
- AUTOMOBILE PARTS,
- PERSONAL CARE PRODUCTS
- PHARMACEUTICAL PRODUCTS ETC

3.9 Service Enterprises

In Haridwar District according to DIC, Roorkee (Haridwar), service industries/enterprises are approximately 1778 Nos

3.9.1 Potentials areas for service industry

- TRANSPORTATION
- COMPUTER & RELATED ACTIVITIES,
- IT SECTOR,
- CYBER CAFFE,
- CONSTRUCTION ACTIVITIES (Real Estate)
- OTHER SERVICE ACTIVITIES

3.10 Potential for new MSMEs

Major Strengths:

Major Trees	Deodar,Banj, Burn
Important Crops	Wheat,Rice,Maize, Mustered, Groungnut, Oilseeds
Important Fruits	Mango,Papaya,Lichi,Guava, Melon
Important Vegetables	Potato,Onion,Peas, Tomato,Cauliflower,Guard
Important Cereals	Soyabean,Bajra,Urd,Arhar,Masoor,Rapseeds
Major Minerals	Sand, Stone, Gypsum.
Major Tourist Places	Har ki Pauri,Gaughat,Mahadevi Mandir,Chandi Mandir,Mansadevi Mandir,Bilbilashwar Mahadev,Saptarishi Ashram,Sati Kund,Bhemgoda,Piran Kaliar,Shanti Kunj

Due to special concessional industrial package given by Govt. of India Large no of Unit Has set up in the District. Still Lot of Industrial Land is available in District Haridwar and good condition of Law & order. This condition makes good Environment for setting up NEW MSMEs.

Other Suggestive Investment sectors for Haridwar District are:

- Tourism
- Agro based Industries
- Fabrication
- Engineering workshop
- Tool rooms
- Pre cast building material
- Fishries
- Floriculture
- Bee keeping

4. Existing Clusters of Micro & Small Enterprise

- 1- SURVEY DRAWING INSTRUMENTS
- 2-PHARMA CLUSTER
- 3-HANDLOOM

4.1 Details for Identified cluster

With a view to enable BDS market development and make Indian SMEs to enhance																																

their competitiveness, SIDBI has initiated a Project to provide need-based and demand driven BDS in the areas of technology, markets, skills, ICT, energy, environment etc. in select clusters. The project funded jointly by World Bank, DFID, KFW and GTZ, aims at providing BDS through professional organizations with proven track record in extending demand driven BDS and implementing cluster development interventions. APITCO was chosen by SIDBI-PMD Division as the Facilitator Agency for the development of BDS markets in the Dehradun Pharmaceutical cluster. The planned project finalized for project implementation was 32 months. It had 4 phases viz. a) pre Implementation, b) implementation, c) sustainability and d) exit. Foundation for MSME clusters (FMC) was appointed as a monitoring and evaluating agency APITCO adopted 4 Phase strategy and implemented the project in 32 months.

Phase	Activity
Phase – I Pre Implementation Phase	Establishment of Project Office with necessary infrastructure Preparation of Diagnostic Survey Report Preparation of Action Plan MoUs with Network Partners
Phase – II Implementation Phase	Implementation of the activities as per the action plan
Phase – III Sustainability Phase	Assuring sustainability of interventions Setting-up of National and International regulatory requirements through current Good Manufacturing Practices (cGMP), Systems & Processes in-place.
Phase – IV Exit Phase	Formation and strengthening of Governance mechanisms for sustainability of interventions Project Impact Assessment & Preparation of End of Project Report (EOR)

At Cluster Level

The particulars of Cluster level achievements by APITCO are as follows.

Target	Achievements
cGMP certification for an additional 10% to 15% of the manufacturing firms	45 units got cGMP compliance. 20 units got COPP-WHO certification. Other 2 units submitted their applications for WHO certification. Another 5 units ready to submit the application
Enhanced exports by 5% to 8% for 20 small firms and 10 medium firms	Presently 20 Small firms are exporting (Regulatory & Non regulatory) countries. 21 medium firms exporting the products to Regulated and non regulatory countries and enhanced exports by 5%.
Increase in cluster turnover of 75-100 firms by 5 to 10%	Cluster turnover enhanced 10% in 80 firms
Increase in number of strategic BDS providers by 15 to 20 numbers sustainably	Introduced 40 BDSPs in 9 Key areas (Quality-8, Energy-4, ICT-4, HRD-12, Safety-2, Environment-2, Marketing-2, CFC-2, IPR-3, Lean-1). In each area, more than 2 BDSPs were linked. BDSPs became sustainable with established linkage with cluster firms
Introduce 10 to 15 strategic BDS	Introduced 20 strategic BDS Minimum 2 BDS were introduced in 9 areas

	6	Increase business of BDSPs in cluster by 5% to 10%	BDSPs turnover was increased more than 10% 25% of the firms engaged their services.													
	7	Increase average profitability of BDSPs by 5%	The average profitability of the BDSPs have been Increased more than 5%													
	8	Achieving customer satisfaction index of 3.0 (on scale of 5) of BDS	Achieved average customer satisfaction index 4.0													
	9	Natural FAs get equipped to promote BDS	2 Natural FAs got equipped to 3 promote BDS (DMA, 4 olphin Institute, Shivalik Research analytical services)													
		<p>Sustainability of interventions</p> <p>APITCO has strengthened the BMOs, Institutions and BDSPs to continue the BDS interventions even after completion of the project. As a Natural Facilitating Agency, Drug Manufacturers Association (DMA) Uttarakhand could establish BDS Help Desk for continuation of BDS activities (Quality, Energy, ICT, LEAN and Financial Linkage). Dolphin group of Educational Institutions will continue the Industry Institutional Linkage. The SPV (Shivalik Research & Analytical Services) in association with DMA will provide the practical oriented trainings and analytical Laboratory services.</p>														
9	Presence of capable institutions	<p>1)NIPER Mohali, Chandigarh 2) PHARMEXCIL New Delhi 3)Testing Labs 4) Pharma Educational Institutions 5) GMP Consultants 6)Pharma software companies</p>														
10	Thrust Areas	Quality Compliance														
11	Problems & constraints	<p>During our study, we understand the following are constraints, which need to be addressed on a short term and long term basis.</p> <table border="1"> <thead> <tr> <th>No</th> <th>Area</th> <th>Constraints</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>HRD</td> <td>Shortage of skilled manpower</td> </tr> <tr> <td>2</td> <td>Quality Compliance</td> <td>Non compliance of the GMP regulations</td> </tr> <tr> <td>3</td> <td>Market</td> <td>Open up new market opportunities</td> </tr> </tbody> </table>			No	Area	Constraints	1	HRD	Shortage of skilled manpower	2	Quality Compliance	Non compliance of the GMP regulations	3	Market	Open up new market opportunities
No	Area	Constraints														
1	HRD	Shortage of skilled manpower														
2	Quality Compliance	Non compliance of the GMP regulations														
3	Market	Open up new market opportunities														
12	Present status of the cluster															

Present status of the cluster :-

The interventions implemented by APITCO as per the approved Action Plans in the Dehradun Cluster have shown visible results in the areas of quality, ICT, Energy savings, exports etc. For instance, Quality compliance in 88 SMEs has been increased and it resulted in these firms getting additional 15% of the business from the Contract firms. The Cluster turnover has increased by 12% per annum. Around 720 existing technical and non technical staff were

trained in GMP, GLP through theoretical and practical oriented trainings. These interventions resulted in reduction of internal rejections by 50%, external rejections by 40% and rework & reprocess by 60%. In the area of ICT, well developed ERP solutions along with Business intelligence tools were introduced in 10 SMEs which has resulted in increased efficiency and productivity by 25%. The interventions in the area of Energy have resulted in savings of Rs.1.2 crores in Pharma Industry. Out of 40 BDSPs introduced, 25 BDSPs have generated new business in the industry without project support.

- 5 Pharma institutions were linked with the Pharma industry and MoUs signed with the BMOs, to fulfill the needs of the industry as well as enhance employability of fresh graduates. 20 small units entered into the international market (Both regulatory & non regulated countries). The exports of 22 Medium units have increased by 5%. Infrastructure development has been initiated by forming 2 SPVs and prepared Detailed Project Report for establishing Common Facility Centre for M/s. Shivalik Research and Analytical Services (P) Ltd., Dehradun formed by Drug Manufacturers Association Dehradun, and submitted to Director of Industries, Uttarakhand a copy of DPR is submitted to SIDBI for wetting. Presently the file is pending with SIDCUL for allotment of land though it has given oral consent to allot land in Pharma City, SIDCUL, Selaqui, Dehradun.

Survey Instruments Cluster Roorkee

The cluster development program has been launched for **Survey Instruments cluster Roorkee** by DC (MSME), New- Delhi to ensure broad based development initiative for focus development since the year 2004-05.

Surveying Instruments cluster at Roorkee is the only Industrial segment in the country for producing Survey Instruments Indigenously. It is apparently the oldest inherited small-scale cottage industrial cluster in India, having a standing of more than 160 years of its credit with more than 100 nos. registered & unregistered SSI units at Roorkee & surroundings.

This sector is facing survival crisis due to vast shift in technology of equipments globally thus obsolescence of conventional equipments being produced here. The modern highly accurate, automatic electronic based, digitalized instruments now being produced internationally are better substitute, as they require lesser manpower, time and provide faster results with high

accuracy at competitive prices. Demand for centuries old conventional products is thus dropping sharply due to quality consideration and shift in technology.

After detailed diagnostic study, three dimensional interventions have been targeted for overall development of this sector – 1) Soft intervention 2) Hard intervention (Infrastructure Development)

Series of soft interventions in marketing , training, network creation, creation of information database, linkage with benchmark clusters, creation of new knowledge around development framework, capacity building etc. have already been undertaken for sustainable development during these years.

The important works on hard interventions viz. infrastructural development and technology up gradation are now targeted by providing a Common facility center (CFC) for upliftment of this hard hit industrial sector, as individually entrepreneurs have the a very low level of financial capabilities for upgrading production line, adequate standardization, testing and R&D facilities.

The premier research institute of Utrakkhand ‘ **Indian Institute of Technology, Roorkee**’ entrusted with the work of furnishing detailed project for the CFC, have proposed in their study for promotion of viable technology supported with through modernization of the existing production line for the cluster & have further recommended high tech machineries to the tune of Rs 8.0 Crores.

A special Purpose vehicle (SPV) from the cluster actor to maintain & manage the CFC, as per SICDP norms, in the form of a no profit no loss company namely, “Roorkee Instruments Development Consortium’ registered under section 25 of company Act 1956 has also been finalized wherein ultra modern costly machines & plants, modern testing facilities, technological assistance and other facilities would be provided with the financial support of Ministry of MSME, Government of India, under MSE-CDP guide lines.

In 17th Meeting of steering committee of MSE-CDP held on dated 11.11.09 at Udyog Bhawan New Delhi SPV made a brief presentation on the proposal for establishment of Training-cum-common Facility center in Survey Instruments cluster Roorkee. The member of the committee were informed about the cluster, the need for CFC & nature of intervention. After the discussion it was gathered that the proposed CFC falls under the Quasi Developmental category for which GOI assistance may be up to 60% of the project cost or equal to the cost of plant & machinery or whichever is less. However , State Govt./SPV have requested GOI grants for 80% of the total project cost considering the project as developmental.

5. General issues raised by industry association during the course of meeting

- Infrastructure and connecting roads needs to be improved
- Lack of Entrepreneurship
- Shortage of skilled manpower
- Transportatin
- Technology
- Non avalibility of training facilities in internal location in the state
- Shortage of Bank Credit
- Poor avability of power.

**** . STEPS TO SET UP MSMEs**

Following are the brief description of different agencies for rendering assistance to the entrepreneurs.

1.	Provisional Registration Certificate (EM-1) & Permanent Registration Certificate (EM-II)	District Industries Centre, Industrial Area,Ram Nagar, Roorkee (Haridwar)
2.	Identification of Project Profiles, techno-economic and managerial consultancy services, market survey and economic survey reports.	MSME-Development Institute,Kham Bangla, Kaladhungi Road, Haldwani (Nainital),DIC Roorkee
3.	Land and Industrial shed	Directorate of Industries Patel Nagar Industrial Estate, Dehradun,DIC Roorkee, SIDCUL,IIE,Ranipur,Haridwar
4.	Financial Assistance	SIDBI,Nationalised banks
5.	For raw materials under Govt. Supply	Directorate of Industries, Ramnagar,Roorkee
6.	Plant and machinery under hire / purchase basis.	The National Small Industries Corporation limited, 132,HIG-II, Indirapuram ,Dehradun
7.	Power/ Electricity	Uttarakhand power corporation, Dehradun
8.	Technical Know –how.	MSME-Development Institute,Kham Bangla, Kaladhungi Road, Haldwani (Nainital),DIC Roorkee

9.	Quality & Standard	MSME-Development Institute Haldwani (Nainital),BIS,Shashtri Nagar, Dehradun
10.	Marketing /Export Assistance	MSME-Development Institute Haldwani, DIC Roorkee Haridwar,DGFT Patelnagar,Dehradun
11.	Other Promotional Agencies	KVIC,GMS Road, Dehradun, Directorate of Industries, Dehradun,Uttarakhand Khadi & Village Industries, Haridwar, DGFT,Patelnagar, Dehradun
