These are the services that can be launched:
https://s3.amazonaws.com/awseducate-starter-account-services/AWS_Educate_Starter_Accounts_and_AWS_Services.pdf

Services can only be launched from the following Regions:
US East (N. Virginia) *US East (Ohio)* *US West (Oregon)*

Your Starter account will still shut down once the available balance has been exhausted. The AWS Educate Starter Account alert system (through qwikLABS) will send out notifications when 50%, 75% and 90% of the AWS credit allocated in the AWS Educate Starter Account has been utilized. Once the AWS credit is depleted, the account will be terminated. We strongly recommend making a backup of important data to your local storage.

***Your Starter Account does not have Free Tier Promotions. Any services launched will reduce your available credit.

You are welcome to view **Instructional Videos and Labs**:
