EMP🦽WER 2018

ASSISTIVE TECHNOLOGY CONFERENCE

EXHIBITOR'S GUIDE

Oct 25-27, 2018, I-TEC Technopark Sonipat, India

EMPOWER 2018, the three-day conference on Assistive Technologies in India is being organized by *AssisTech, Indian Institute of Technology Delhi*. Empower 2018 is intended to provide a forum for researchers, user organizations, industries as well as policy makers engaged with the issues involved in the development, production and dissemination of assistive technology solutions. The event should see active participation of all stakeholders to discuss current solutions and seed ideas for research groups to work on. The event would consist of tutorials, keynote talks, invited papers, submitted and reviewed papers, posters, user forums, panel discussion as well as an exhibition. The conference will emerge as a focal point for encouraging and sharing R&D in this important space.

WHO SHOULD EXHIBIT?

An organization that provides products, services, or resources for individuals with visual, hearing or mobility impairment will find great value in exhibiting at EMPOWER 2018, a conference expected to bring together more than 300 people including persons with disabilities, care-givers, special educators, researchers and technologists. The EMPOWER Exhibit Hall will be prominently located adjacent to the general session rooms. Organized breaks and receptions will take place in the Exhibit Hall to offer vendors dedicated time with conference attendees. EMPOWER 2018 exhibitors also have the opportunity to further engage this audience by advertising in the event program or by sponsoring the events.

HOW TO PARTICIPATE?

The Exhibitors can send their interest to participate with details of company and package selection, to the exhibit coordinator at this email suman30murali@gmail.com, or can submit the details in the google form link with their details. The Last date for exhibit registrations are **3rd October 2018.**

BOOTH LOCATION

Primary booth locations will be given to EMPOWER 2018 sponsors. Afterward, booth assignments will be on a first-come, first-served basis according to the date of receipt of a completed paid Exhibitor Registration. Booths will be assigned by the organizers of IIT Delhi. Few center of attraction booth locations can be made available which will incur additional charges.

PAYMENT

The Payment details will be shared with the exhibitors after the participation registrations are complete. Payment are accepted via Bank Transfer or via payment gateway.

INSURANCE

The exhibitor understands that IIT Delhi does not maintain insurance covering the exhibitor's property and it is the sole responsibility of the exhibitor to obtain such insurance. Each exhibitor is recommended to maintain adequate insurance coverage against injury to persons, fire, theft, and other damage to or loss of property.

COMPLIANCE WITH LAWS

Exhibitors shall bear responsibility for compliance with all local, city, state, and safety, fire, and health laws, ordinances, and regulations that are in force or applicable during the conference regarding the installation and operation of the exhibit.

INDEMNIFICATION

The exhibitor assumes responsibility and agrees to indemnify and defend the Indian Institute of Technology Delhi and the I-TEC Technopark their respective employees and agents against any claims or expenses arising out of the use of the exhibition premises.

RESTRICTIONS

Nothing shall be posted, nailed, screwed, or otherwise attached to columns, walls, floors, or other parts of the building or furniture. The subletting, assignment, or appointment of the whole or any part of the exhibitor's space by an exhibitor is prohibited. Smoking and alcohol is not allowed inside the campus including accommodation areas. Smoking is only allowed outdoors in designated areas.
