

# 2007 UPMC PERKS

You probably are familiar with the benefits you receive as a UPMC employee, but you may not be aware of another bonus — UPMC Perks, an extensive set of discounts from local and national businesses available to all UPMC staff and physicians.

Current UPMC Perks are located on Infonet (<http://perks.infonet.upmc.com>). New Perks are listed on the homepage, and then moved to a category page. If space allows, you also can view new Perks in *UPMC Extra!* Since many of the UPMC Perks change with seasons, schedules, and specific offers, check Infonet often for limited-time listings and seasonal Perks.

These Perks are valid through Dec. 31, 2007, and divided into product categories. Keep this list handy, and refer to it anytime you need to buy anything — from a car to shoes — because it may be available at a UPMC discount. Always mention you are a UPMC employee when contacting the participating business, and always have your UPMC ID with you when visiting a Perk location — usually, you will be required to show it to obtain the offer.

If you have a question concerning a UPMC Perk or if you would like to refer a business that is interested in becoming part of the program, call the hot line at 412-647-5690, and leave a message. Your call will be returned promptly.

## CORPORATE PERKS PROGRAM

With the Corporate Perks Program, a national retail discount program available to UPMC employees, you and your family can save on thousands of products and services through valuable everyday discounts, and stay informed of exclusive sales, retailing events, promotions, and local discounts.

Here are some examples:

- up to a 40% discount on name brand apparel
- 40% discount on movie tickets
- more than 50% off admission to theme parks like Disneyland and Universal Studios

The Corporate Perks Program's basic discount plan is free to UPMC employees. The optional premium plan offers enhanced savings at top retailers and service providers, as well as exclusive offers, discounts, and special in-store retail events, which employees can take advantage of at a cost of \$10 a month or \$30 a year.

To take advantage of more than 13,000 basic and premium offers, go to the Perks homepage on Infonet, click on the Corporate Perks Program icon ("our gift to you") on the lower right, and follow the registration instructions for new users. When asked, type UPMC as your company name.

You also will need to enter your work e-mail address (for verification purposes only). If you do not have a UPMC e-mail, check the applicable box. When prompted, enter UPMCPerks as the private company code. This will allow you to register for the program. You also can register at <http://us.corporateperks.com>; click the "Register Now" button, and enter the requested information. You can check out current offers in the Corporate Perks Program from any computer with Internet access.

*Note: Access to the Corporate Perks Program is provided to you as an employee benefit. The vendors and products featured on the site and the terms and conditions for the use of the site may change from time to time without notice. UPMC does not endorse any vendor and disclaims responsibility for any product, promotion, or content on the site.*

## SEASONAL PERKS
