COLOR PANEL LECTERNS

Great looking contemporary solutions for your presentation needs. These 49-in. tall lecterns provide a modern style that will match your current décor. The spacious reading shelf measures 26.75" wide x 16.75" deep providing enough room for your speaker. The high-density polyethylene (a plastic also found in the marine industry) construction of black base and reading shelf complement the styling of these lecterns black anodized aluminum uprights. The sleek, modern look is completed by the formica panels that snap into the aluminum uprights in seconds without the need of tools. The acrylic shelf located in the back of these lecterns is an ideal spot to keep a glass of water or laser pointer nearby. (A)
