GUILDNET GOLD PLUS FIDA PLAN

2017 Provider and Pharmacy Directory

GuildNet Gold Plus FIDA Plan MMP-POS is a managed care plan that contracts with both Medicare and the New York State Department of Health (Medicaid) to provide benefits of both programs to Participants through the Fully Integrated Duals Advantage (FIDA) Demonstration.

The List of Covered Drugs and/or pharmacy and provider networks may change throughout the year. We will send you a notice before we make a change that affects you.

Benefits may change on January 1 of each year.

This Directory lists health care professionals (such as doctors, nurse practitioners, and psychologists), facilities (such as hospitals or clinics), and support providers (such as Adult Day Health and Home Health providers) that you may see as a GuildNet Gold Plus FIDA Plan Participant. We also list the pharmacies that you may use to get your prescription drugs.

We will refer to these groups as “network providers” in this Directory. These providers signed a contract with us to provide you services. This is a list of GuildNet Gold Plus FIDA Plan’s network providers for Bronx county. The Plan’s service area includes Bronx, Kings, New York, Queens, Richmond and Nassau. For a full listing of all our Plan network providers, you may contact our Participant Services to request assistance with locating providers in other counties.

Providers

Getting started in GuildNet Gold Plus FIDA Plan

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- Providers are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. Services include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- Network providers are the providers that have contracted with us to provide services to Participants in our plan. The providers in our network may only bill us for care they give you. When you see a network provider, you usually pay nothing for covered services.
 - If you are eligible to get services from Indian health providers, you may see these providers even if they are out of our plan's network.
- **Point of Service (POS) providers** – As a GuildNet Gold Plus FIDA Plan participant, you can use providers who are not in our network to access services that you used to get through your original Medicare coverage. You do not need the Plan's permission to access Medicare services from providers outside of our network. Please note: If you do go to an out-of-network provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get. Providers must tell you if they are not eligible to participate in Medicare.

If you have questions, please call GuildNet Gold Plus FIDA Plan at 1-800-815-0000 (TTY 711), Monday through Sunday, 8am to 8pm. The call is free. **For more information**, visit www.guildnetny.org.

2017 PROVIDER AND PHARMACY DIRECTORY

- A Primary Care Provider (PCP) is a physician or nurse practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. If you ask and he/she is willing, your PCP may participate on your Interdisciplinary Team and help in planning your care and ensuring that you get necessary services.
- Specialists are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.
- You also have access to a Care Manager and Interdisciplinary Team (IDT) that you help choose.
 - A Care Manager works closely with you and your Interdisciplinary Team to develop a Person-Centered Service Plan that helps you manage your medical, behavioral health, long-term services and supports, and social and functional needs.
 - Your Interdisciplinary Team (IDT) helps to coordinate your care. This means that they make sure your providers know about care you get, medicines you take, tests and labs are done once and the results are shared with the appropriate providers. You and your IDT will develop your Person-Centered Service Plan, which will list all of your needs and services, set goals to address those needs, and determine ways to monitor those needs. Your IDT will be in contact with you as often as needed. Your IDT includes:
 - You and your designee(s) and
 - Your Care Manager.

You may also choose to have any of the following people participate in any or all of your IDT meetings:

- Your Primary Care Provider (PCP), including a physician, nurse practitioner, physician assistant, or specialist who has agreed to serve as your PCP, or a designee from your PCP's practice who has clinical experience (such as a registered nurse, nurse practitioner, or physician assistant) and knowledge of your needs;
- Your Behavioral Health (BH) Professional, if you have one, or a designee from your BH Professional's office (or practice) who has clinical experience and who has knowledge of your needs;
- Your home care aide(s), or a designee with clinical experience from the home care agency who has knowledge of your needs, if you are getting home care;

If you have questions, please call GuildNet Gold Plus FIDA Plan at 1-800-815-0000 (TTY 711), Monday through Sunday, 8am to 8pm. The call is free. **For more information**, visit www.guildnetny.org.

- A clinical representative from your nursing facility, if getting nursing facility care;
- Additional individuals, including:
 - Other providers either as asked for by you or your designee, or as recommended by the IDT members as necessary for care planning and approved by you or your designee; or
 - The registered nurse (RN) who completed your assessment.

Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new Participants.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP. If you choose a specialist to act as your PCP, your specialist must agree to participate in your IDT to coordinate your care. Please call Participant Services at **1-800-815-0000** (TTY users, please call **711**) or speak with your Care Manager if you choose a specialist as your PCP.

To choose a PCP, go to the list of providers on page 7 and choose a provider:

- that you use now, or
- who has been recommended by someone you trust, or
- whose offices are easy for you to get to.

Please note that you may choose any PCP in the service area that accepts Medicare as part of the Plan's point of service benefit.

If you have questions, please call GuildNet Gold Plus FIDA Plan at 1-800-815-0000 (TTY 711), Monday through Sunday, 8am to 8pm. The call is free. **For more information**, visit www.guildnetny.org.

- ➔ GuildNet Gold Plus FIDA Plan works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide. Talk to your Interdisciplinary Team and Care Manager for assistance.

Finding GuildNet Gold Plus FIDA Plan providers in your area

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact the Plan's Participant Services.

While you are a participant of our Plan, you may use either network providers or out-of-network providers for certain covered services. For some services you get through our plan, you must use the plan in-network providers, except in emergency situations. These services and providers are identified in the LTSS section of this directory. For more information about your plan's covered benefits, see your Participant Handbook. If you go to an out-of-network provider, the provider must be eligible to participate in Medicare.

PHARMACIES

This part of the Directory provides a list of pharmacies in GuildNet Gold Plus FIDA Plan's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a Participant of the plan.

➔ GuildNet Gold Plus FIDA Plan Participants must use network pharmacies to get prescription drugs.

- You must use network pharmacies except in emergency or urgent care situations.

If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the GuildNet Gold Plus FIDA Plan Participant Handbook for more information.

➔ Some network pharmacies may not be listed in this Directory.

- Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about GuildNet Gold Plus FIDA Plan network pharmacies in your area, please visit our web site at www.guildnetny.org or call Participant Services at 1-800-815-0000 (TTY 711), Sunday through Monday, 8am to 8pm. The call is free.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Participant Handbook and GuildNet Gold Plus FIDA Plan's List of Covered Drugs. You can also find our List of Covered Drugs online at www.guildnetny.org. Please call Participant Services at 1-800-815-0000 (TTY 711), from 8am to 8pm, Monday through Sunday, if you need assistance.

Long-term supplies of prescriptions

- Mail-Order Program. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.
- 30-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.

If you have questions, please call GuildNet Gold Plus FIDA Plan at 1-800-815-0000 (TTY 711), Monday through Sunday, 8am to 8pm. The call is free. **For more information**, visit www.guildnetny.org.

GUILDNET GOLD PLUS FIDA PLAN'S NETWORK PHARMACIES

The “ADA+” Symbol

If a pharmacy has this symbol – ADA+ – next to its name, it means that the pharmacy meets the FIDA Program accessibility standards. This means that the pharmacy meets all 25 requirements that are listed on page ix, except for any requirements that would not apply to pharmacies. For example, a pharmacy would not have an exam room, so the requirements about an exam room do not apply to a pharmacy.

If you have questions, please call GuildNet Gold Plus FIDA Plan at 1-800-815-0000 (TTY 711), Monday through Sunday, 8am to 8pm. The call is free. **For more information**, visit www.guildnetny.org.
