GUILDNET GOLD PLUS FIDA PLAN MMP-POS 2015 PROVIDER AND PHARMACY DIRECTORY

Doctors, health care professionals, and other service providers that are in the plan's network are listed on page 1 to 620.

Pharmacies that are in our network are listed on pages 621 to 651.

Providers

Getting Started in GuildNet Gold Plus FIDA Plan

This section explains key terms you'll see in our Provider and Pharmacy Directory.

Providers are doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.

- The term *providers* also includes hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
- Providers that are a part of our plan's network are called *network providers*.

Network providers are the providers that have contracted with us to provide services to Participants in our plan. The providers in our network may only bill us for care they give you. They may not bill you. When you see a network provider, you pay nothing for covered services.

- If you are eligible to receive services from Indian health providers, you may see these providers even if they are out of our plan's network.

Point of Service (POS) providers As a GuildNet Gold Plus Participant you can use providers who are in our network to access services that you used to get through your original Medicare coverage. You do not need the plans permission to access Medicare Services from providers outside of our network. Please note: If you go to an out-of-network provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get. Providers must tell you if they are not eligible to participate in Medicare.

A **Primary Care Provider (PCP)** is a Physician or Nurse Practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will participate on your Interdisciplinary Team and help in planning your care and ensuring that you get necessary services.

Specialists are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:

- **Oncologists** care for patients with cancer.
- **Cardiologists** care for patients with heart conditions.
- **Orthopedists** care for patients with certain bone, joint, or muscle conditions.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

GUILDNET GOLD PLUS FIDA PLAN MMP-POS 2015 PROVIDER AND PHARMACY DIRECTORY

You also have access to a **Care Manager** and an **Interdisciplinary Team (IDT)** that you help choose.

A **Care Manager** works closely with you and your Interdisciplinary Team to develop a Person-Centered Service Plan that helps you manage your medical, behavioral health, long-term services and supports, and social and functional needs.

Your **Interdisciplinary Team (IDT)** helps to coordinate your care. This means that they make sure your providers know about care you get, medicines you take, and that tests and labs are done once and the results are shared with appropriate providers.

You and your IDT will develop your Person-Centered Service Plan, which will list all of your needs and services, set goals to address those needs, and determine ways to monitor those needs. Your IDT will be in contact with you as often as needed. Your IDT includes:

- You and your designee(s);
- Your Care Manager;
- Your Primary Care Provider (PCP) or a designee from your PCP's office (or practice) who has clinical experience and who has knowledge of your needs;
- Your Behavioral Health (BH) Professional, if you have one, or a designee from your BH Professional's office (or practice) who has clinical experience and who has knowledge of your needs;
- Your home care aide(s), or a designee with clinical experience from the home care agency who has knowledge of your needs, if you are receiving home care and approve the home care aide/designee's participation on the IDT;
- A clinical representative from your nursing facility, if receiving nursing facility care;
- Additional individuals, including:
 - Other providers either as requested by you or your designee, or as recommended by the IDT members as necessary for care planning and approved by you or your designee; or
 - The registered nurse (RN) who completed your assessment, if approved by you or your designee.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider.

The Plan works with all the providers in our network to accommodate the needs of people with disabilities. The list of network providers below includes information about the accommodations they provide. If you need to see a provider and are not sure if they offer the accommodations you need, the Plan can help you. Talk to your Interdisciplinary Team and Care Manager for assistance.

Finding GuildNet Gold Plus FIDA Plan Providers in Your Area

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact the Plan's Participant Services.

While you are a participant of our Plan, you may use either network providers or out-of-network providers for certain covered services. For some services you get through our plan, you must use the plan in-network providers, except in emergency situations. These services and providers are identified in the LTSS section of this directory. For more information about your plan's covered benefits, see your Participant Handbook. GUILDNET GOLD PLUS FIDA PLAN MMP-POS 2015 PROVIDER AND PHARMACY DIRECTORY

Pharmacies

This part of the directory provides a list of pharmacies in the plan's network. These network pharmacies have agreed to provide prescription drugs to you as a participant of the plan.

- Plan participants must use network pharmacies to get prescription drugs.

You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the Plan Participant Handbook for more information.

- Some network pharmacies may not be listed in this directory.

Some network pharmacies may have been added or removed from our plan after this directory was printed.

For up-to-date information about GuildNet Gold Plus FIDA Plan network pharmacies in your area, please visit our web site at www.guildnetny.org or call Participant Services at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. The call is free. TTY/TDD, please call **1-800-662-1220**.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Participant Handbook and the Plan's *List of Covered Drugs*. You can find the plan's list of Covered Drugs (also called Formulary) in your welcome packet from the plan, online at www.guildnetny.org or you may call **1-800-815-0000** (TTY/TDD **1-800-662-1220**) to request a copy.

Identifying pharmacies in our network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-Order Pharmacies
- Home infusion pharmacies
- Long-term care (LTC) pharmacies

You are not required to continue going to the same pharmacy to fill your prescriptions. You can go to any of the pharmacies in our network.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8am and 8pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

Long-Term Supplies of Prescriptions

Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.

90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8am and 8pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.
