Provider Network Introduction

This directory provides a list of GuildNet Gold's network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The GuildNet Provider network is administered by EmblemHealth. It is important to know which providers are part of our network because it is better for you to use these providers to get your care. This is because these providers have agreed to participate in your care and to work with your Case Manager and a team of health care professionals to manage your care. Using network providers is always the best thing to do because it makes it easier for GuildNet to coordinate your care.

The "network providers" listed in this directory have agreed to provide you with your health care, vision, dental, and prescription coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Some services require prior authorization from the plan. Your Case Manager will help you get prior authorization for services, when prior authorization is needed.

You may also see providers out of our network to access services that you used to get through your Original Medicare coverage. **If you go to an out-of-network provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get. Providers must tell you if they are not eligible to participate in Medicare.**

Emergency care can always be obtained in or out of the service area from the nearest available provider.

If an out-of-network provider sends you a bill that you think we should pay, please contact Member Services or send the bill to us for processing. We will make a decision on whether to cover the service and pay the bill.

If you have a medical emergency and believe that your health is in serious danger, get medical help as quickly as possible. Call **911** for help or go to the nearest emergency room, hospital or urgent care center. You may get covered emergency medical care whenever you need it, anywhere in the world. As soon as possible, make sure that we know about your emergency, because we need to be involved in your follow-up care. Please make sure that the Plan is aware of your emergency as soon as possible, preferably with 48 hours. Call Member Services at **1-800-815-0000** (TTY **1-800-612-1220**). Ambulance services are covered in situations where other means of transportation in the United States would endanger your health. Please see your Evidence of Coverage for additional information.

What is the service area for GuildNet Gold?

The counties in our service area are listed below.

- Bronx County
- Kings County
- New York County
- Queens County
- Nassau County
- Suffolk County

How do you find GuildNet Gold providers in your area?

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact GuildNet Member Services.

While you are a member of our Plan, you may use either network providers or out-of-network providers for certain covered services. For some services you get through our plan, you must use GuildNet in-network providers, except in emergency situations. These services and providers are identified in the Long Term Care Services section of this directory. For more information about your plan's covered benefits, see your Evidence of Coverage.

This directory also contains a listing of providers of GuildNet Gold long term care services including transportation. Providers of these services must obtain authorization from GuildNet Gold before they provide a service to you. If you are in the middle of a treatment (for example, dental work) when you enroll, you may complete the treatment with the out-of-network provider; however, the provider must obtain authorization from GuildNet Gold. Providers may call **1-800-932-4703** (TTY **1-800-662-1220**) for authorization. The provider must be willing to accept GuildNet Gold payment rates.

If, while temporarily outside of the Plan's service area and require services, you should contact your Case Manager. Your Case Manager will be able to confirm that the services you are getting are covered by us and are medically necessary. You may receive care from any provider that accepts Medicare, please confirm with the provider to make sure they participate in the Medicare program. It is always good to make sure that your provider follows the Plan's authorization rules if possible. Before you go to an out-of-network provider, make sure that the provider accepts Original Medicare payment rates.

Please refer to your GuildNet Dental Directory for a listing of participating dental providers. The GuildNet dental network is administered by HealthPlex Dental Network.

If you have questions about GuildNet or need help finding a physician, pharmacy or another provider, please call our Member Service Department at **1-800-815-0000**, Monday through Sunday, 8 am to 8 pm. TTY users should call **1-800-662-1220**. Or, visit **www.guildnetny.org**.

PHARMACY NETWORK INTRODUCTION

This booklet provides a list of GuildNet's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and GuildNet Gold Plan's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means GuildNet. When it refers to "plan" or "our plan," it means GuildNet Gold.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2014. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Express Scripts Home Delivery Service. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Suffolk which covers the area in which you live. However, we cover a larger service area, with more pharmacies at which you may fill your prescriptions drugs. For information on additional pharmacies where you can get benefits under this plan, please visit the Plan's website at www.guildnetny.org or contact us at **1-800-815-0000**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

QUEST LABS

Quest Diagnostics is your primary laboratory provider. To help you avoid out-of-pocket costs, you and your doctor should use Quest Diagnostics.

Using Quest is particularly important if your plan does not offer out-of-network benefits, as members will be subject to additional out of pocket costs if their tests go to a different laboratory. Please remind your doctor of this topic when laboratory testing is prescribed.

Quest Diagnostics is a national laboratory with extensive coverage in our service area. To schedule an appointment or find a Quest patient service center near you, please visit **www.questdiagnostics.com/appointment** or use Quest's interactive voice response system at **1-888-277-8772**. To speak with a Quest representative, call **1-866-697-8378**. All locations participate in your plan.
