Education

HP Care Pack Total Education One
UC818E

Stretch your training budget with the flexible, convenient and economical HP Care Pack Total Education One

To provide our training customers with the ultimate in convenience, we offer the HP Care Pack Services for Education. Flexible, economical, simple to purchase and easy to use—HP Care Pack Services for Education are ideal for those customers who know that training will be needed during the upcoming months, but are not exactly sure of the specifics (who? what? when?). With HP Care Pack Services for Education, you purchase a volume of training credits upfront, and then redeem the training credits as you need them over a 12 month period. Attend any training offered by HP Education Services, including

- ▣ live, instructor-led training in a traditional classroom at HP Education Centers
- ▣ live, instructor-led training online via HP RAIL
- ▣ online, self-paced training courses offered through the HP eLearning Center

If there are 8 or more students for a given course, a dedicated onsite training delivery may be more cost-effective. Contact your HP Education Consultant for a custom quote.

See HP's education site for details - <http://www.hp.com/education/carepack.html> or contact Melissa Estes at 404-243-4771 or email melissa.estes@hp.com
