**BidSpotter.com is real auctions as they happen;
convenient, secure and just like being there.**

Did you know?

You can bid in real time as the auctioneer calls the bids.

Bidding is simple and it's all on your screen.

One click of your mouse is all it takes to bid.

Can't be in front of your computer at that time? No problem, you can leave bids any time before the lot is sold.

BidSpotter also has many other kinds of sales including Industrial Machinery, Food Processing Equipment, Real Estate and Livestock.

Let's Do Some Business!

TESTIMONIALS

I would highly recommend Industrial Machine Trader to anyone trying to sell Machinery. We just completed an Auction for Indiana Machine Works and it was a great success. We advertised in their weekly Magazine and use them to do an E Mail Blast, as well as purchased a Mailing list from them of Machine Dealers, Machine Shops, in Indiana and Surrounding states. Thanks to Industrial Machine Trader my clients and I are very pleased.

Sincerely,

Mark Frazier Pres/Founder

Frazier Worldwide Auctions and Real Estate

Hello Virginia,

The auction has finished up today in Kentucky and it was outstanding. The bank and the seller were very pleased with the bidders from fifteen states, as well as Mexico and Canada. Thanks for putting together my advertisement in Industrial Machine Trader. This was my first ad with you and I will certainly use your publication again.

Again, thanks for a job well done!

Respectfully,

Randy S. Burdette

A member of the nations largest integrated real estate and auction network. United Country Real Estate and Auction Services.
