Last time buy for the two-pack of the screen protectors accessory for the Ranger 3 rugged handheld computer

This product bulletin is a notification that the 2-pack of screen protectors for the Ranger 3 rugged handheld computer will be discontinued.

As it is important for customers to change screen protectors frequently, we want to provide them with plenty of screen protectors for their Ranger 3 handheld. We want to make this even easier by providing a 15-pack of screen protectors with every Ranger 3 handheld we offer.

The more cost-effective 15-pack of screen protectors (part number ACCAA-362) is more popular with customers, so we will be offering only the 15-pack as an accessory.
