Audience

This document is for any software provider who has chosen to build or update their products to allow for PAYE Modernisation.

Document context

This document provides details for accessing and using the PAYE PIT Help Desk – a dedicated online service to support developers/testers conducting PAYE Modernisation public interface testing of their products with Revenue.

1. Introduction

Revenue is making available a dedicated Public Interface Test environment to enable payroll software developers verify the compatibility of their software packages with PAYE Modernisation changes.

To support developers and testers through the PIT process, Revenue has provisioned a dedicated online PAYE PIT Help Desk. By using the PAYE PIT Help Desk developers and testers can:

- Notify Revenue of their interest in public interface testing
- Raise and track ticketed queries

This document provides a step by step guide to registering for the PAYE PIT Help Desk and subsequently using it to raise and track queries.

Please note that images used throughout this document are broadly indicative of the final product but may be subject to change.

2. Prerequisites

Logging into the PAYE PIT Help Desk is a two-step verification process requiring the interested developer/tester to have:

- A valid email address
- A smart device installed with Google Authenticator

3. PAYE PIT Help Desk Registration

Interested developers/testers can register for the PAYE PIT Help Desk by completing a short online form available at: <u>https://revenuehelpdesk.supatools.com/portal/revenueie/register.html</u>

| Revenue Edin agus Custaim na hÉireann Irish Tax and Customs | New User Registration Revenue Public Interface Test Environment |

Figure 1 New User Registration screen

The information supplied under the 'Company/Business Name' field will be used by Revenue to group users belonging to the same Business/Company together. Users belonging to the same group will have access to each other's queries raised through the PAYE PIT Help Desk¹.

Upon successful completion of the form, the developer/tester will be asked to check the email address inputted on the form for further instructions.

¹ As part of reviewing pending registrations Revenue will not associate a registration with a particular business/company group until it has verified that this is allowed by the business/company.

Figure 2 Registration Successful

The email instructs the developer/tester to verify their email address through clicking on the supplied link.

Note: Email clients may treat an initial email from the Help Desk as spam so please check spam folders if expected email has not arrived.

------ Forwarded message -------From: **Revenue Help TEST** <--------Date: Mon, Mar 5, 2018 at 11:22 AM Subject: User Registration - Verify your E-mail address To: pmodtester@gmail.com

Dear Test McTester,

https://

Thank you for registering to access Revenue Public Interface Test Environment.

To complete your registration please click on the link below to verify your e-mail address within 24 hours of this message.

94a4c13b236bb

Figure 3 Email Verification

Clicking on the link will present the developer/tester with the following message:

Figure 4 Email successfully verified

At this point in the process Revenue will be alerted of the registration request and will review the supplied registration details before associating the registration with the specified company/business group and activating access to the Help Desk.

The developer/tester will be notified of successful registration by email which will include instructions on how to complete the process and log in to the Help Desk:

PAYE PIT Help Desk – User Guide

From: Revenue Help TEST <revenuehelp Date: Mon, Mar 5, 2018 at 11:58 AM Subject: Revenue Public Interface Test Environment: Your User Account To: pmodtester@gmail.com Dear Test McTester, Your user account to access Revenue Public Interface Test Environment is now ready for use! Two-factor authentication is used, which requires you to download and install the Google Authenticator App to your mobile device. Download Google Authenticator for Android Download Google Authenticator for iOS Once installed, use the App to read the QR code available at the following link: Click to view and scan your QR Code Then, you can log into Revenue Public Interface Test Environment as follows: URL: https://revenuehelp User ID: pmodtester@gmail.com You will then be prompted to enter your Authentication Code. This e-mail has been automatically generated by Revenue Public Interface Test Environment. Please do not reply.

Figure 11 My Open Tickets

The developer/tester will only be able to see tickets raised by themselves and those tickets associated with their company/business group.

On resolution of the query or if further information is required, the developer/tester will receive an email notification with the details:

 \geq

Good day

Description: Connectivity Test Question

Your ticket ID Q0001183 has been resolved.

Resolution Description:

Hi,

You can repeat execution as many times as you like.

Kind regards,

PAYE PIT Support
