

Arrowhead Chinoi Settee

(1135)

Width: 60.0" (152.5 cm)

Depth: 28.0" (71 cm)

Height: 35.75" (91 cm)

Seat Width: 57.0" (145 cm)

Seat Depth: 20.75" (52.5 cm)

Seat Height: 18.0" (45.5 cm)

Arm Height: 25.5" (65 cm)

The Chinoi settee is based on the Chinoi chair that Dorothy Draper used in designing the Arrowhead Springs Hotel in Arrowhead Springs, California. Like the chair, the settee features the open fret design of the arm that creates the bold, geometric look so typical of Draper's style. Made of Cherry solids, the settee may be finished in wood or paint.

COM required: 5 yards plain fabric.

As Shown: Finished in Bark (61) and Fabric B773-110

KINDEL
