## **Introduction**

This booklet provides a list of GuildNet Gold's network pharmacies and includes some basic information about how to fill your prescriptions with GuildNet Gold. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by GuildNet Gold. In most cases, your prescriptions are covered under GuildNet Gold only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

### **Can the list of network pharmacies change?**

Yes, GuildNet Gold may add or remove pharmacies from our pharmacy directory. To get current information about GuildNet Gold network pharmacies in your area, please visit our Web site at **[www.jgb.org/guildnet](http://www.jgb.org/guildnet)** or call our Customer Service Department at **1-877-444-3973** Monday through Friday 8 am to 8 pm. TTY/TDD users should call **1-866-248-0640**, Monday through Friday, 8:30 am to 5 pm.

### **How do I find a GuildNet Gold network pharmacy in my area?**

Check this directory to locate a nearby pharmacy, which is conveniently organized alphabetically by state, county, city and zip code.

Or, you can visit our Web site at **[www.jgb.org/guildnet](http://www.jgb.org/guildnet)** or call our Customer Services at **1-877-444-3973**, Monday through Friday, 8 am to 8 pm. (TTY/TDD Users should call **1-866-248-0640** Monday through Friday, 8:30 am to 5 pm.)

### **How do I fill a prescription at a network pharmacy?**

To fill your prescription at a network pharmacy, you must show your GuildNet Gold Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment.) If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Customer Services.

### **How do I fill a prescription through GuildNet Gold's Mail Order Pharmacy Service?**

To get order forms and information about filling your prescriptions by mail, call our Customer Services Department at 877-444-3973. TTY/TDD users should call 1-866-248-0640 for more

information. Please note that you must use GuildNet Gold's mail order service. Prescription drugs that you get through any other mail order services are not covered.

Please follow these easy steps listed below to order through GuildNet Gold's mail order program:

- Ask your physician to write two prescriptions if you need to start your medications right away.
- Fill one prescription immediately at a participating GuildNet Gold's Medicare Part D Local Pharmacy
- Complete the order form included in your welcome kit and send it with the second prescription plus applicable co-payment to GuildNet Gold's Mail Order Program.

You can use the GuildNet Gold's mail order pharmacy service to fill your Medicare Part D Formulary Prescription needs. GuildNet Gold's formulary list tells you which drugs are covered under your prescription benefit.

When you order prescription drugs by mail, a quantity up to a 90-day supply of the drug may be dispensed for some maintenance drugs. These are drugs that you take on a regular basis, for chronic or long-term medical conditions. The formulary list tells you which drugs we consider to be maintenance drugs.

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of using a preferred or non-preferred retail pharmacy in our network to obtain a supply of maintenance medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications for up to 90 days per dispensing, which may result in a lower out-of-pocket payment. Other retail pharmacies may not agree to accept the mail order reimbursement rate for an extended supply of medication. In this case, you will be responsible for the difference in price. Please look in the Pharmacy Directory below for retail pharmacies in our network at which you can obtain an extended supply of maintenance medications or call our Customer Services for more information.

Your prescription will be delivered to your home within 14 business days from the time of mailing.

In the unlikely event that your prescription mail order is delayed, please contact GuildNet Gold's Customer Service at 1-877-444-3973; TTY/TDD users should call 1-866-248-0640

## **Filling prescriptions outside the network**

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy.

**Before you fill your prescription in these situations, call Customer Services to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay, consistent with the circumstances listed above, will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to the paper claims process described next.

The following are a few exceptions when we will pay for a prescription filled at a pharmacy outside of our network.

### ***Getting coverage when you travel or are away from the plan's service area***

If you take a prescription drug on a regular basis and you are going on a trip, be sure to check your supply of your drugs before you leave. When possible, take along all the medications you will need. You may be able to order your prescription drugs ahead of time through our mail order pharmacy service.

If you are traveling within the United States and territories, and become ill, lose or run out of your prescription drugs, we will cover prescriptions that are filled at an out-of-network pharmacy. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claim process described later.

You can also call Customer Service to find out if there is a network pharmacy in the area where you are traveling. If there are no network pharmacies in that area, Customer Service may be able to make arrangements for you to get your prescriptions from an out-of-network pharmacy. We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

***What if I need a prescription because of a medical emergency or because I needed urgent care?***

We will cover your prescription at an out-of-network pharmacy if the prescriptions are related to care for a medical emergency or urgent care. In this situation, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a paper claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described later.

***Other times you can get your prescription covered if you go to an out-of-network pharmacy.***

We will cover your prescription at an out-of-network pharmacy if a least one of the following applies:

- If you are unable to obtain a covered drug in a timely manner within our service area because there are no network pharmacies within a reasonable driving distance that provides 24 hour service.
- If you are trying to fill a prescription drug that is not regularly stocked at an accessible Network retail or mail-order pharmacy (including high cost and unique drugs)

Before you fill your prescription in either of these situations, call Customer Service to see if there is a network pharmacy in your area where you can fill prescriptions. If you do go to an out-of-network pharmacy for the reasons listed above, you will have to pay the full cost (rather than paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. If you go to an out-of-network pharmacy, you may be responsible for paying the difference between what we would pay for a prescription filled at an in-network pharmacy and what the out-of-network pharmacy charged for your prescription. To learn how to submit a paper claim, please refer to the paper claims process described next.

## **How do I submit a paper claim?**

When you go to a network pharmacy, your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy for one of the reasons listed above, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. When you return home simply submit your claim and your receipt to the following address: Pharmacy Services, P.O. Box 1520 JAF Station, New York, New York 10116-1520. Please refer to your Evidence of Coverage or call Customer Service for more information on initial coverage determinations.

### **GuildNet Gold's Preferred Network Pharmacies**

Preferred pharmacies are pharmacies in GuildNet Gold's network in which GuildNet has negotiated lower cost-sharing than at non-preferred pharmacies for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. The preferred retail pharmacies have agreed to accept a lower reimbursement rate for an extended day supply of maintenance medication, which may result in lower out-of-pocket costs to you. You may go to either of these types of pharmacies to receive your covered prescriptions drugs. In the pharmacy directory below, you will find both preferred and non-preferred pharmacies included in our network.

### **GuildNet Gold's Retail Pharmacies Offering Extended Supplies of Medications**

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the option of obtaining an extended supply of maintenance medications at some retail pharmacies in our network. Some of these retail pharmacies offering extended supplies of maintenance medications may agree to accept the mail order reimbursement rate for an extended supply of medications, which may result in a lower out-of-pocket payment. Other retail pharmacies offering extended supplies of maintenance medications may not agree to accept the mail order reimbursement rate for an extended supply of medications. In this case, you will be responsible for the difference in price. In the pharmacy directory below, you will find identified those retail pharmacies in our network that offer extended supplies of maintenance medications.

\*- TRS Relay Number 711

What is the Telecommunications Relay Service (TRS)?

It is a toll-free national and state-wide service that provides full telephone accessibility to deaf, hard-of-hearing (hh) or speech disabled TTY users and hearing voice phone users. The service facilitates simultaneous phone communication between the parties by using a Communication Assistant (CA) who relays the TTY-to-voice and voice-to-TTY conversation. This valuable communication tool gives all involved parties the opportunity to make personal and business calls. Both TTY and voice phone users may initiate calls through the NYTRS. In order to access this service, TTY users and voice phone users may dial 711. It is fast, easy to use and convenient. On the RIT campus the NYTRS can be accessed from a faculty/staff telephone by dialing 95# for TTY users and dialing 96# for voice phone users. Pressing the # speeds up the call; it is optional.

## LONG-TERM CARE PHARMACIES

### Are long-term care pharmacies part of GuildNet Gold's pharmacy network?

In some cases, residents of a long-term care facility may access their prescription drugs through the facility's long-term care pharmacy or another network long-term care pharmacy.
