GENERAL INFORMATION

AmpliVox Sound Systems accepts orders via email: orders@ampli.com, fax and mail ▪ Invoice terms for credit accounts are NET 30 days ▪ Orders are invoiced on the day of shipment ▪ Cancellation or modification of orders must be submitted to AmpliVox Sound Systems in writing ▪ In some cases a cancellation fee may be charged if raw materials, work in progress or special products are involved.

NOTE: A VARIETY OF OUR LECTERNS ARE CUSTOM BUILT ITEMS, MAKING THEM NON-CANCELABLE, NON-RETURNABLE & NON-EXCHANGEABLE.

WARRANTY INFORMATION: AmpliVox Sound Systems agrees (at its discretion) to repair or replace any brand product or component manufactured that is defective in materials or workmanship for as long as the original purchaser owns it ▪ The warranty is applicable to the original purchaser only and is not transferable ▪ Proof of purchase may be required ▪ AmpliVox Sound Systems is not required to and will not replace the entire product(s) ▪ Our Limited Warranty is subject to limitations, exclusions and other provisions.

GENERAL WARRANTY INFORMATION: ELECTRONICS - S805A, SW805A and SW915 are backed by our 6-Year Limited Warranty on parts and labor ▪ WOOD & LAMINATE LECTERNS: are backed by our 6-Year Limited Warranty covering against manufacturers defects ▪ ALL OTHER PRODUCTS: Acrylics, accessories, contemporary lecterns, CD players, cassette players/recorders, megaphones, school products are backed by a One Year Limited Warranty – please call for details.

EXCLUSIONS: Our warranty does not apply to: • Normal wear and tear (nicks, dents, scratches, gouges and flaws resulting from), which is to be expected over the course of ownership • Defects or damage due to accident, alteration, abuse, misuse, dropping, natural disaster, neglect, or failure to provide reasonable and necessary maintenance • Modifications or attachments to the product that are not approved by AmpliVox Sound Systems • Product, and/or components that have been installed or repaired by parties other than AmpliVox Sound Systems • Products that were not installed, used or maintained in accordance with product instructions and warnings • Products used for rental purposes • Natural wood characteristics such as mineral streaks, knots, grain variations and normal differences between actual product and samples are not considered manufacturers defects • Oral or written statements made by AmpliVox Sound System dealers, distributors, agents, or sales representatives that are inconsistent with this Warranty are not certified by AmpliVox Sound Systems and have no force or effect.

RETURN POLICY: Written requests for an RA must be made within 30 days of receipt ▪ Returns are subject to a minimum restocking fee of 25% for Lecterns & 15% for Public Address Systems & Accessories ▪ All Returns require an authorization number ▪ To request a return authorization visit our website www.ampli.com/returns/ or call Customer Service at 1-800-267-5486.

AmpliVox Sound Systems reserves the right to discontinue and change product specifications.

PRICES SUBJECT TO CHANGE WITHOUT NOTICE. Free shipping on orders exceeding \$3,500 shipped via UPS/ FedEx standard ground to one location within continental US ▪ Models from the Acrylic & Contemporary product families, Multimedia Computer Lectern & Pinnacle Lecterns are excluded ▪ Additional shipping charges for truck delivery & special handling not included ▪ Redelivery, reshipment & storage charges may be assessed if accurate & complete delivery information, including dock hours & temporarily closed details, are not provided to us when order is placed ▪ AmpliVox ships from warehouses located in Illinois, Michigan & Alabama ▪ TERMS: Net 30 days, upon account approval ▪ WE ACCEPT AMEX, DISCOVER, MC & VISA.

Space Planning Guide

Our wireless microphones allow you to speak from anywhere in the room. Wireless microphones can be added to allow multiple presenters to speak simultaneously.

A - Setup our Audio Portable Buddy SW222 outside the circle aimed towards participants.

B - Setup our Roving Rostrum Podium PA SW124 in the front of the classroom. With 180 Degree sound coverage from its angled speakers, you will be heard no matter where you place the unit in the classroom.

C - Setup our iPod Portable PA System SW720 in the front of the class and plug-in projector to video-out. Voice priority feature allows you to interrupt DVD or music by lowering the volume level so you can be heard on the media you're showing.

D - Setup our Victoria Solid Hardwood Lectern SW3020 to one side of the banquet hall, and additional a wireless powered speaker at the opposite side. Wireless will let you roam the room to maintain eye contact with every table.

E - Setup our Modular Tabletop Lectern SW250 on the desk at the front of the room, and plug audio out from projector into built-in sound system for full multimedia presentation.

F - Setup our Multimedia Computer Lectern SW3230 with projector, computer and document camera on appropriate surfaces. Securely store laptop and multimedia equipment in locking storage. Built-in speakers and wireless mic allow multiple presenters to be heard anywhere in the room.

G - Setup our Presidential Plus Lectern SW450 at the front of the room with wireless powered speakers placed at the other side. Speak from behind the lectern or anywhere in the room with wireless microphones.

H - Setup our Adjustable Sound Column Lectern SW505A at the front of the classroom, and wireless powered speakers at the four corners of the room. Wireless mic allows you to roam the aisles. Great for audiences of 250 to over 5,000.

About Us

AmpliVox Sound Systems is one of the leading manufacturers of portable sound systems, lecterns, and multimedia workstations in the United States. Our goal is to provide top quality professional presentation equipment that sets up easily, delivers perfect performance, and stands the test of time for reliability and durability.

Businesses and organizations across the country, including hospitality, education, health care, public safety, and religious entities, choose AmpliVox as their portable audio solution. The versatility of our portable public address systems, elegant lecterns and integrated wireless sound systems provide the perfect complement to any presentation, meeting, training seminar, classroom, conference, and other indoor or outdoor event.

In recent years, AmpliVox has experienced unparalleled success with strong double-digit growth in sales. Our recent move to an expanded headquarters in Northbrook, Illinois enables us to serve our customers more efficiently than ever. Our success is a result of our commitment to innovative product development, superior engineering, exceptional service, and comprehensive knowledge of our customers' sound system needs.

All AmpliVox products are designed with functionality and versatility in mind to meet your specific audio requirements. Customizable by style, color and logo, our sound systems will help you communicate with audiences from 10 to 10,000 people. Our products meet stringent UL standards and come with a six year warranty.

AmpliVox has launched dozens of new products and systems over the last few years, including our current 12 for 2012-13 new product line-up. We invite you to tour our site and learn more about how AmpliVox Sound Systems can help make your voice heard.

History

Don Roth acquired AmpliVox, PermaPower in 1995. PermaPower was founded by Norm Ackerman in 1952 and introduced the AmpliVox line of portable PA systems in the 1960s. The company also introduced one of the first residential radio-controlled garage door openers, supplying Craftsman garage door openers to Sears. In the late 1970s, the company added power outlet strips, surge suppressers, power conditioners and uninterruptible power systems (UPS) for computers.

Prior to owning PermaPower, Don Roth was regional vice-president for Xerox and executive vice-president of Apeco and Numeridex Cad/Cam systems.

Preserve the World's Natural Resources

AmpliVox is committed to preserve the world's natural resources. We all know that natural resources are limited and fragile. Environmental protection is everyone's responsibility at AmpliVox. This policy addresses operations which can positively impact the environment.

AmpliVox pledges to

- Use "Forest Friendly" products. Our Lecterns and Podiums are produced using recovered and recycled post-industrial wood residues. This solid chain-of-custody wood fiber supply practices have helped AmpliVox to secure the Forest Stewardship Council (FSC) Mixed Sources accreditation (SW-COC-003089).
- Reduce the waste arising from electrical and electronic equipment and to improve the environmental performance of all items involved in the life cycle of these products. We comply with the WEEE Directive (2002/96/EC).
- Continually improve environmental management policies, programs and performance, based on the results of our periodic reviews and taking into account regularity developments, customer needs, technical developments, scientific understanding and community expectations.
- Reduce and eliminate waste through recycling and disposal of waste through safer and responsible methods.
- Promote employee awareness of environmental concerns, actions and responsibilities.

All AmpliVox products that are eco-friendly are identified by:
