GUILDNET GOLD HMO-POS SNP PROVIDER AND PHARMACY DIRECTORY

Section 1 – Provider Directory

Introduction

This directory provides a list of GuildNet Gold network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The “network providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. Some services require prior authorization from the plan. Your Case Manager will help you to get prior authorization for services, when prior authorization is needed.

You may also see provider out of our network to access services that you used to get through Original Medicare plan. Emergency care can always be obtained in or out of the service area from the nearest available provider.

What is the service area for GuildNet Gold?

The counties in our service area are listed below.

Bronx County
Brooklyn County
New York County
Queens County

How do you find GuildNet Gold providers in your area?

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact GuildNet Gold Customer Services.

While you are a member of our Plan you may use either network providers or out-of-network providers for certain covered services. For some services you get through our plan, you must use GuildNet Gold in-network providers, except in emergency situations. These services and providers are identified in this directory. For more information about a medical emergency, see your Evidence of Coverage

GUILDNET GOLD HMO-POS SNP PROVIDER AND PHARMACY DIRECTORY

This directory contains a listing of providers of GuildNet Gold long term care services. Providers of these services must obtain authorization from GuildNet Gold before they provide a service to you. If you are in the middle of a treatment (for example, dental work) when you enroll, you may complete the treatment with the out-of-network provider; however, the provider must obtain authorization from GuildNet Gold. Providers may call Customer Service at **1-800-932-4703** (TTY **1-800-662-1220**) for authorization. The provider must be willing to accept GuildNet Gold payment rates.

If, while temporarily outside the Plan's service area, you require services, you should contact your Case Manager. You may get this care from any Medicare provider. Before you go to an out-of-network provider, make sure that the provider accepts assignment from the Original Medicare Plan. It is always good to make sure that your provider follows the Plan's authorization rules if possible. Before getting services from out-of-network providers you may want to confirm with us that the services you are getting are covered by us and are medically necessary.

If an out-of-network provider sends you a bill that you think we should pay, please contact Customer Services or send the bill to us for processing. We will make a decision on whether to cover the service and pay the bill.

For a listing of participating dental providers, please refer to your GuildNet Gold Dental Directory. The GuildNet Gold dental network is administered by HealthPlex Dental Network.

If you have a medical emergency and believe that your health is in serious danger, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You may get covered emergency medical care whenever you need it, anywhere in the world. As soon as possible, make sure that we know about your emergency, because we need to be involved in following up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Customer Service at **1-800-932-4703** (TTY **1-800-662-1200**). Ambulance services are covered in situations where other means of transportation in the United States would endanger your health. Please see your Evidence of Coverage for additional information.

If you have any questions about GuildNet Gold, please call our Customer Service Department at **1-800-932-4703**, Monday through Friday, 8:00 a.m. to 8:00 p.m. TTY users should call **1-800-662-1200**. Or, visit **www.jgb.org/guildnet**.

Pharmacy Directory

Introduction

This booklet provides a list of GuildNet Gold network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and GuildNet Gold formulary. If you have additional questions, please call our Prescription Drug Services at **1-877-444-3973**, Monday through Friday 8:00 a.m. to 8:00 p.m. TTY/TDD Users should call **1-866-248-0640**. We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by GuildNet Gold. In most cases, your prescriptions are covered under GuildNet Gold only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Within each section of the Pharmacy Directory, network pharmacies are listed by county and in alphabetical order. Retail pharmacies are listed first. Chain, Mail Order, Home Infusion and Long-Term Care pharmacies are listed in separate sections. Please note that GuildNet Gold cannot guarantee that the listed pharmacy is open or is at the same location as listed in this Directory.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under GuildNet Gold through the facility’s long-term care pharmacy or another network long-term care pharmacy.

Network Pharmacies outside of New York State

We have network pharmacies outside of New York State where you can get your drugs covered as a member of our plan. For pharmacies located outside of New York State, please visit our Web site at **www.jgb.org/guildnet** or call **1-877-444-3973** Monday through Friday 8:00 a.m. to 8:00 p.m. TTY/TDD users should call **1-866-248-0640** Monday through Friday from 8:30 a.m. to 5:00 p.m.

Sección 1 – Directorio de Proveedores

Introducción

Este directorio proporciona una lista de los proveedores de la red de GuildNet Gold. Para obtener información detallada sobre su cobertura de atención médica, sírvase consultar su Evidencia de Cobertura.

Los “proveedores de la red” enumerados en este directorio han acordado proporcionarle cobertura de atención médica. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio. Si usted ha estado yendo a un proveedor de la red, no se requiere que usted siga yendo al mismo proveedor. En algunos casos, usted puede obtener servicios cubiertos de proveedores que no pertenecen a la red. Algunos servicios requieren autorización previa del plan. Su Administrador de Caso le ayudará a obtener autorización previa para servicios, cuando se necesite autorización previa.

Usted también puede ver proveedores fuera de nuestra red para acceso a los servicios que usted obtenía a través del plan Medicare Original. La atención de emergencia siempre puede obtenerse dentro o fuera del área de servicio del proveedor disponible más cercano.

¿Cuál es el área de servicio para GuildNet Gold?

A continuación se presentan los condados dentro de nuestra área de servicio.

Condado de Bronx
Condado de Brooklyn
Condado de New York
Condado de Queens

¿Cómo puede encontrar usted proveedores de GuildNet Gold en su área?

Dentro de cada sección del directorio, los proveedores se enumeran por su especialidad y por orden alfabético.

Los médicos y otros proveedores médicos están agrupados por especialidad, enumerándose primero los proveedores de atención primaria (médicos de familia y general e internistas), seguido de especialistas de medicina y cirugía y otros especialistas (cardiólogos, radiólogos, cirujanos, etc.) Si usted desea recibir un directorio de otro condado, sírvase comunicarse con el Departamento de Servicios para Clientes de GuildNet Gold.

GUILDNET GOLD HMO-POS SNP DIRECTORIO DE PROVEEDORES Y FARMACIAS

Mientras usted sea miembro de nuestro Plan, usted puede usar proveedores de la red o proveedores fuera de la red para ciertos servicios cubiertos. Para algunos servicios que usted obtiene a través de nuestro plan, usted debe usar proveedores dentro de la red de GuildNet Gold, excepto en situaciones de emergencia. Estos servicios y proveedores están identificados en de este directorio. Para más información sobre una emergencia médica, vea su Evidencia de Cobertura.

Este directorio contiene una lista de proveedores de servicios de atención de largo plazo de GuildNet Gold. Los proveedores de estos servicios deben obtener autorización de GuildNet Gold antes de que le proporcionen un servicio. Si usted está en medio de un tratamiento (por ejemplo, un trabajo dental) cuando se inscribe, usted puede completar el tratamiento con el proveedor fuera de la red; sin embargo, el proveedor debe obtener autorización de GuildNet Gold. Para la autorización, los proveedores pueden llamar al Departamento de Servicios para Clientes al **1-800-932-4703** (TTY **1-800-662-1220**). El proveedor debe estar dispuesto a aceptar las tarifas de pago de GuildNet Gold.

Si usted requiere servicios cuando se encuentra temporalmente fuera del área de servicio del plan, usted debe comunicarse con su Administrador de Caso. Usted puede obtener esta atención de cualquier proveedor de Medicare. Antes de ir a un proveedor fuera de la red, asegúrese que el proveedor acepte pacientes del Plan Medicare Original. Siempre es bueno cerciorarse que el proveedor siga las reglas de autorización del Plan si es posible. Antes de obtener servicios de proveedores fuera de la red, es aconsejable que confirme con nosotros que los servicios que usted está recibiendo estén cubiertos por nosotros y sean médicamente necesarios.

Si un proveedor fuera de la red le envía una cuenta que usted piensa que nosotros debemos pagar, sírvase comunicarse con el Departamento de Servicios para Clientes o envíenos la cuenta para procesamiento. Nosotros tomaremos una decisión respecto a la cobertura del servicio y el pago de la cuenta.

Para una lista de los proveedores dentales participantes consulte su Directorio Dental de GuildNet Gold. La red dental de GuildNet Gold es administrada por HealthPlex Dental Network.

Cuando usted va a una farmacia, no tiene que seguir yendo a la misma farmacia para despachar su receta. Usted puede ir a cualquiera de nuestras farmacias de la red. Despacharemos recetas en farmacias no de la red bajo ciertas circunstancias que se describen en su Evidencia de Cobertura.

Dentro de cada sección del Directorio de Farmacias, las farmacias de la red se enumeran por condado y en orden alfabético. Las farmacias minoristas se enumeran primero. Las farmacias de Cadena, Pedidos por Correo, Infusión en el Hogar y Atención de Largo Plazo se identifican en secciones separadas. Sírvase tomar nota que GuildNet Gold no puede garantizar que una farmacia incluida en la lista está abierta ni que está en el mismo sitio indicado en este Directorio.

Farmacias de Atención de Largo Plazo

Las personas que residan en un centro de atención de largo plazo pueden obtener sus medicamentos de receta cubiertos bajo GuildNet Gold a través de la farmacia de atención de largo plazo del centro o de otra farmacia de atención de largo plazo de la red.
