Please talk to your Case Manager before using an out-of-network provider.

What if your provider leaves GuildNet?

Sometimes the network provider you are using might leave the plan. If this happens, your GuildNet Case Manager will arrange services for you from another network provider.

What should I do if I have a medical emergency?

If you have a medical emergency:

- Get medical help as quickly as possible. Call 911 for help or go directly to the nearest emergency room.
- However, as soon as possible, you or someone else should contact GuildNet at 1-800-932-4703. GuildNet needs to know about your emergency so we can help coordinate your follow-up care. Please try to contact GuildNet about your emergency or hospitalization within 48 hours.
