GUILDNET GOLD (HMO-POS) PROVIDER DIRECTORY

This directory provides a list of GuildNet Gold's plan providers.

This directory is for New York County.

This directory is current as of July 2009. Some plan providers may have been added or removed from the list after this directory was printed. To get the most up-to-date information about GuildNet Gold plan providers in your area, you can visit www.jgb.org/guildnet or call our Customer Service Department at **1-800-932-4703**, Monday through Friday 8:00 am to 8:00 pm. TTY users should call **1-800-662-1220**.

Section 1 – Introduction

This directory provides a list of GuildNet Gold plan providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

The “plan providers” listed in this directory have agreed to provide you with your health care coverage. You may go to any of our plan providers listed in this directory. If you have been going to one plan provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-plan providers. Some services require prior authorization from the plan. Your Case Manager will help you to get prior authorization for services, when prior authorization is needed.

What is the service area for GuildNet Gold?

The counties in our service area are listed below.

Bronx County
Kings County
New York County
Queens County

How do you find GuildNet Gold providers in your area?

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact GuildNet Gold Customer Service.

While you are a member of our Plan you may use either network providers or out-of-network

providers for certain covered services. For some services you get through our plan, you must use GuildNet Gold in-network providers, except in emergency situations. These services and providers are identified in Section 3 of this directory. For more information about a medical emergency, see your Evidence of Coverage

Section 3 contains a listing of providers of GuildNet Gold long term care services. Providers of these services must obtain authorization from GuildNet Gold before they provide a service to you. If you are in the middle of a treatment (for example, dental work) when you enroll, you may complete the treatment with the out-of-

network provider; however, the provider must obtain authorization from GuildNet Gold. Providers may call **1-800-932-4703** (TTY 1-800-662-1220) for authorization. The provider must be willing to accept GuildNet Gold payment rates.

If, while temporarily outside the Plan's service area, you require needed services, you should contact your Case Manager. You may get this care from any Medicare provider. Before you go to an out-of-network provider, make sure that the provider accepts assignment from the Original Medicare Plan. It is always good to make sure that your provider follows the Plan's authorization rules if possible. Before getting services from out-of-network providers you may want to confirm with us that the services you are getting are covered by us and are medically necessary.

If an out-of-network provider sends you a bill that you think we should pay, please contact Customer Services or send the bill to us for processing. We will make a decision on whether to cover the service and pay the bill.

For a listing of participating dental providers, please refer to your GuildNet Gold Dental Directory. The GuildNet Gold dental network is administered by Health-Plex Dental Network.

If you have a medical emergency and believe that your health is in serious danger, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You may get covered emergency medical care whenever you need it, anywhere in the world. As soon as possible, make sure that we know about your emergency, because we need to be involved in following up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Customer Services at **1-800-932-4703** (TTY 1-800-662-1200). Ambulance services are covered in situations where other means of transportation in the United States would endanger your health. Please see your Evidence of Coverage for additional information.

If you have any questions about GuildNet Gold, please call our Customer Service Department at **1-800-932-4703**, Monday through Friday, 8:00 am to 8:00 pm. TTY users should call **1-800-662-1200**. Or, visit **www.jgb.org/guildnet**.

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores del plan de GuildNet Gold. Para obtener información detallada de su cobertura de atención médica, por favor vea su Evidencia de Cobertura.

Los “proveedores del plan” enumerados en este directorio han acordado proporcionar a usted su cobertura de atención médica. Usted puede ir a cualquier proveedor de nuestro plan incluido en este directorio. Si usted ha estado yendo a un proveedor del plan, no se requiere que usted continúe yendo al mismo proveedor. En algunos casos, usted puede obtener servicios cubiertos de proveedores que no pertenecen al plan. Algunos servicios requieren autorización previa del plan. Su Administrador de Caso puede ayudarle a obtener autorización previa para servicios, donde se requiere autorización previa.

¿Cuál es el área de servicio de GuildNet Gold?

Abajo se presentan los condados que están en nuestra área de servicio.

Condado de Bronx
Condado de Kings
Condado de New York
Condado de Queens

¿Cómo puede encontrar usted proveedores de GuildNet Gold en su área?

Dentro de cada sección del directorio, los proveedores se enumeran por sus especialidades y por orden alfabético.

Los médicos y otros proveedores de atención médica se agrupan por especialidades, apareciendo primero los proveedores de atención primaria (médicos de familia, generales y de medicina interna), seguido de especialistas médicos/quirúrgicos y otros especialistas (cardiólogos, radiólogos, cirujanos, etc.). Si usted desea recibir un directorio de otro condado, por favor comuníquese con Servicio a Clientes de GuildNet Gold.

Mientras sea miembro de nuestro Plan, usted puede usar proveedores de la red o proveedores fuera de la red para ciertos servicios cubiertos. Para algunos servicios que usted obtiene a través de nuestro plan, usted debe usar proveedores dentro de la red de GuildNet Gold, excepto en situaciones de emergencia. Estos servicios y proveedores están identificados en la Sección 3 de este directorio. Para más información sobre una emergencia médica, vea su Evidencia de Cobertura.

La Sección 3 contiene una lista de los proveedores de servicios de atención de largo plazo de GuildNet Gold. Los proveedores de estos servicios deben obtener autorización de GuildNet Gold antes de proporcionarle a usted el servicio. Si usted está en medio de un tratamiento (por ejemplo, un trabajo dental) cuando se inscribe, usted puede completar el tratamiento con el proveedor fuera de la red; sin embargo, el proveedor debe obtener la autorización de GuildNet Gold. Los proveedores deben llamar al **1-800-932-4703** (TTY 1-800-662-1220) para la autorización. El proveedor debe estar dispuesto a aceptar las tarifas de pagos de GuildNet Gold.

Si, mientras esté temporalmente fuera del área de servicio del Plan, usted requiere servicios necesarios, usted debe comunicarse con su Administrador de Caso. Usted puede obtener esta atención de cualquier proveedor de Medicare. Antes de acudir a un proveedor fuera de la red, cerciórese que el proveedor acepte pacientes del Plan Medicare Original. Siempre es bueno asegurarse que su proveedor siga las reglas de autorización del Plan si es posible. Antes de obtener servicios de proveedores fuera de la red, es aconsejable que confirme con nosotros que los servicios que está recibiendo están cubiertos por nosotros y que son médicamente necesarios.

Si un proveedor fuera de la red le envía una factura que usted cree que nosotros debemos pagar, por favor comuníquese con Servicios a Clientes o envíenos la factura para procesamiento. Nosotros tomaremos una decisión sobre la cobertura del servicio y pagaremos la factura.

Para una lista de los proveedores dentales participantes, por favor consulte el Directorio Dental de GuildNet Gold. La red dental de GuildNet Gold está administrada por HealthPlex Dental Network.

Si usted tiene una emergencia médica y cree que su salud está en serio peligro, obtenga ayuda médica tan pronto sea posible. Llame al 911 para ayuda o vaya a la sala de emergencia, hospital o centro de atención urgente más cercano. Usted puede obtener atención médica de emergencia cubierta donde la necesite, en cualquier parte del mundo. Tan pronto sea posible, cerciórese de comunicarnos su emergencia, porque necesitamos involucrarnos en el seguimiento de su atención de emergencia. Usted u otra persona debe llamar para informarnos de su atención de emergencia, usualmente dentro de la 48 horas. Llame a Servicios a Clientes al **1-800-932-4703** (TTY 1-800-662-1200). Los servicios de ambulancia están cubiertos en situaciones donde otros medios de transporte en Estados Unidos podrían poner en peligro su salud. Por favor vea su Evidencia de Cobertura para información adicional.

Si tiene preguntas sobre GuildNet Gold, llame a nuestro Departamento de Servicios a Clientes al **1-800-932-4703**, de lunes a viernes, entre 8:00 am y 8:00 pm. Los usuarios de TTY deben llamar al 1-800-662-1200. O visite **www.jgb.org/guildnet**.
