Se atiende de lunes a domingo, de 8 a.m. a 8 p.m. Servicios a los Clientes tienen los servicios gratuitos de intérprete de idioma disponibles para altavoces de no-inglés.

Information is available in alternate formats (e.g. large print and audio tapes) if requested.

H6864_MEM14_14 Provider and Pharmacy Directory

Section 1 – Introduction

This directory provides a list of GuildNet’s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

It is important to know which providers are part of our network because it is better for you to use these providers to get your care. This is because these providers **have agreed to participate in your care and to work with your Case Manager and a team of health care professionals to manage your care. Using network providers is always the best thing to do** because it makes it easier for GuildNet to coordinate your care.

The “network providers” listed in this directory have agreed to provide you with your health care and vision coverage. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. *It always is best for you to see an in-network provider, but you may go to a provider outside of the EmblemHealth Medicare Choice PPO Provider Network to get plan services covered by Medicare. A referral is not required, and in many cases you do not have to get prior authorization.*

There may be times when you get a bill from a provider for the full cost of medical care you have received. In many cases, you should send this bill to us instead of paying it. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

If you have a medical emergency and believe that your health is in serious danger, get medical help as quickly as possible. Call 911 for help or go to the nearest emergency room, hospital, or urgent care center. You may get covered emergency medical care whenever you need it, anywhere in the world. As soon as possible, make sure that we know about your emergency, because we need to be involved in following up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. Call Customer Services at **1-800-815-0000** (TTY 1-800-662-1200). Ambulance services are covered in situations where other means of transportation in the United States would endanger your health. Please see your Evidence of Coverage for additional information.

What is the service area for GuildNet?

The counties in our service area are listed below.

- Bronx
- Kings
- New York
- Queens
- Nassau
- Suffolk

How do you find GuildNet providers in your area?

Within each section of the directory, providers are listed by their specialty and in alphabetical order.

Physicians and other medical providers are grouped by specialty with primary care providers (family and general practitioners and internal medicine physicians) listed first, followed by medical/surgical and other specialists (cardiologists, radiologists, surgeons, etc.). If you would like to receive a directory for another county, please contact GuildNet Member Services.

While you are a member of our Plan, you may use either network providers or out-of-network providers for certain covered services. For some services you get through our plan, you must use GuildNet in-network providers, except in emergency situations. These services and providers are identified in this directory. Not all providers listed in this directory are available to GuildNet Health Advantage plan members. For more information about your plan's covered benefits, see your Evidence of Coverage.

The Long-term Care Services Including Transportation chapter of this directory also contains a listing of providers of GuildNet Gold long term care services. Providers of these services must obtain authorization from GuildNet Gold before they provide a service to you. If you are in the middle of a treatment (for example, dental work) when you enroll, you may complete the treatment with the out-of-network provider; however, the provider must obtain authorization from GuildNet Gold. Providers may call **1-800-932-4703** (TTY **1-800-662-1220**) for authorization. The provider must be willing to accept GuildNet Gold payment rates.

If, while temporarily outside the Plan's service area, you require services, you should contact your Case Manager. You may get this care from any Medicare provider. Before you go to an out-of-network provider, make sure that the provider accepts assignment from the Original Medicare Plan. It is always good to make sure that your provider follows the Plan's authorization rules if possible. Before getting services from out-of-network providers, you may want to confirm with us that the services you are getting are covered by us and are medically necessary.

If your plan includes dental coverage, for a listing of participating dental providers, please refer to your GuildNet Dental Directory. The GuildNet dental network is administered by HealthPlex Dental Network.

If you have questions about GuildNet or need help finding a physician or another provider, please call our Member Service Department at **1-800-815-0000**, Monday through Sunday, 8 am to 8 pm. TTY users should call **1-800-662-1220**. Or, visit **www.guildnetny.org**.

Pharmacy

Introduction

This booklet provides a list of GuildNet's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and GuildNet's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under GuildNet only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/10/13. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under GuildNet Gold and GuildNet Health Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through GuildNet Gold and GuildNet Health Advantage's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).
