Providers

Getting started in GuildNet Gold Plus FIDA Plan

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. Services include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to Participants in our plan. The providers in our network may only bill us for care they give you. When you see a network provider, you usually pay nothing for covered services.
 - If you are eligible to receive services from Indian health providers, you may see these providers even if they are out of our plan's network.
- **Point of Service (POS) providers** – As a GuildNet Gold Plus FIDA Plan participant, you can use providers who are not in our network to access services that you used to get through your original Medicare coverage. You do not need the Plan's permission to access Medicare services from providers outside of our network. Please note: If you do go to an out-of-network provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get. Providers must tell you if they are not eligible to participate in Medicare.
- **A Primary Care Provider (PCP)** is a physician or nurse practitioner who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will participate on your Interdisciplinary Team and help in planning your care and ensuring that you get necessary services.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - **Oncologists** care for patients with cancer.
 - **Cardiologists** care for patients with heart conditions.
 - **Orthopedists** care for patients with certain bone, joint, or muscle conditions.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

GUILDNET GOLD PLUS FIDA PLAN 2016 PROVIDER AND PHARMACY DIRECTORY

- You also have access to a **Care Manager and Interdisciplinary Team (IDT)** that you help choose.
 - A **Care Manager** works closely with you and your Interdisciplinary Team to develop a Person-Centered Service Plan that helps you manage your medical, behavioral health, long-term services and supports, and social and functional needs.
 - Your **Interdisciplinary Team (IDT)** helps to coordinate your care. This means that they make sure your providers know about care you get, medicines you take, tests and labs are done once and the results are shared with the appropriate providers. You and your IDT will develop your Person-Centered Service Plan, which will list all of your needs and services, set goals to address those needs, and determine ways to monitor those needs. Your IDT will be in contact with you as often as needed. Your IDT includes:
 - You and your designee(s);
 - Your Care Manager;
 - Your Primary Care Provider (PCP), including a physician, nurse practitioner, physician assistant, or specialist who has agreed to serve as your PCP, or a designee from your PCP’s practice who has clinical experience (such as a registered nurse, nurse practitioner, or physician assistant) and knowledge of your needs;
 - Your Behavioral Health (BH) Professional, if you have one, or a designee from your BH Professional’s office (or practice) who has clinical experience and who has knowledge of your needs;
 - Your home care aide(s), or a designee with clinical experience from the home care agency who has knowledge of your needs, if you are receiving home care and approve the home care aide/designee’s participation on the IDT;
 - A clinical representative from your nursing facility, if receiving nursing facility care;
 - Additional individuals, including:
 - Other providers either as requested by you or your designee, or as recommended by the IDT members as necessary for care planning and approved by you or your designee; or
 - The registered nurse (RN) who completed your assessment, if approved by you or your designee.

- **Social Day Care Transportation** – transportation between a Participant’s home and the social day care facilities; and
- **Transportation** – includes emergency and non-emergency transportation;

Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing facility or hospital. A full list of covered LTSS is available in Chapter 4 of your Participant Handbook.

You will have a Plan Care Manager. This is a person who works with you and your care providers to make sure you get the care and long term care services you need. You and your Care Manager will work with an Interdisciplinary Team (IDT) that you will help choose. The IDT is a group of people that will get to know your needs and work with you to develop and carry out a Person-Centered Service Plan specific to your needs. Any care you need will be coordinated by your Care Manager and IDT.

Identifying Providers in GuildNet Gold Plus FIDA Plan’s Network

You may get all of your covered services from providers within our network. You may also see providers who are not in our network to access services that you used to get through your Original Medicare coverage. You do not need the Plan’s permission to access Medicare services from providers outside of our network. **Please note:** If you go to an out-of-network provider, the provider must be eligible to participate in Medicare. We cannot pay a provider who is not eligible to participate in Medicare. If you go to a provider who is not eligible to participate in Medicare, you must pay the full cost of the services you get. Providers must tell you if they are not eligible to participate in Medicare.

Urgent or emergency care can always be obtained in or out of the service area from the nearest available provider. If you need dialysis when you are away from home, you can contact your Care Manager who will coordinate the care.

You must get all of your LTSS covered services from providers within our network. If you go to LTSS providers who are not in the GuildNet Gold Plus FIDA Plan network (without prior authorization or approval from us), you will have to pay the bill. See page v for an example of LTSS or call Participant Services.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

The “ADA+” Symbol

If a provider has this symbol – ADA+ – next to its name, it means that the provider meets the FIDA Program accessibility standards. This means that the provider meets all of the following 25 requirements, except for any that would not apply to that type of provider.

These are the requirements providers have met if they have an “ADA+” symbol next to their names:

1. The office has at least one wheelchair-accessible path from an entrance to an exam room.

6. There is a method for people using wheelchairs or that require other mobility assistance to enter as freely as everyone else. That route of travel is safe and accessible for everyone, including people with disabilities.
7. The main exterior entrance door used by people with mobility disabilities to access public spaces meets accessibility standards. This includes a clear opening, low doorstep, and accessible door handle.
8. There are ramps for wheelchair access. The slopes of the ramp are accessible for wheelchair access, the railings are sturdy and high enough for wheelchair access, the width between railings is wide enough to accommodate a wheelchair, and the ramps are nonslip and free from any obstruction (cracks).
9. Where there are stairs at the main entrance, there is also a ramp or lift, or is there an alternative accessible entrance.
10. Any inaccessible entrances have signs indicating the location of the nearest accessible entrance.

GUILDNET GOLD PLUS FIDA PLAN 2016 PROVIDER AND PHARMACY DIRECTORY

Pharmacies

This part of the Directory provides a list of pharmacies in GuildNet Gold Plus FIDA Plan's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a Participant of the plan.

- GuildNet Gold Plus FIDA Plan Participants must use network pharmacies to get prescription drugs.
 - You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service. Read the GuildNet Gold Plus FIDA Plan Participant Handbook for more information.
- Some network pharmacies may not be listed in this Directory.
 - Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about GuildNet Gold Plus FIDA Plan network pharmacies in your area, please visit our web site at www.guildnetny.org or call Participant Services at 1-800-815-0000, Monday through Sunday, 8am to 8pm. The call is free. TTY/TDD: 1-800-662-1220.

To get a complete description of your prescription coverage, including how to fill your prescriptions, please read the Participant Handbook and GuildNet Gold Plus FIDA Plan's *List of Covered Drugs*. You can find the Plan's list of Covered Drugs (also called Formulary) in your welcome packet from the Plan, online at www.Guildnetny.org or you may call 1-800-815-000 (TTY/TDD 1-800-662-1220) to request a copy.

Identifying pharmacies in our network

Along with retail pharmacies, your plan's network of pharmacies includes:

- Mail-Order Pharmacies
- Home infusion pharmacies
- Long-term care (LTC) pharmacies
 - You are not required to continue going to the same pharmacy to fill your prescriptions.

You can go to any of the pharmacies in our network.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.

GUILDNET GOLD PLUS FIDA PLAN 2016 PROVIDER AND PHARMACY DIRECTORY

Long-term supplies of prescriptions

- Mail-Order Programs. We offer a mail-order program that allows you to get up to a 90-day supply of your prescription drugs sent directly to your home. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.
- 90-Day Retail Pharmacy Programs. Some retail pharmacies may also offer up to a 90-day supply of covered prescription drugs. Just as there is no copay for a one-month supply, there is no copay for a 90-day supply.

GuildNet Gold Plus FIDA Plan's Network Pharmacies

The "ADA+" Symbol

If a pharmacy has this symbol – ADA+ – next to its name, it means that the pharmacy meets the FIDA Program accessibility standards. This means that the pharmacy meets all 25 requirements that are listed on page ix, except for any requirements that would not apply to pharmacies. For example, a pharmacy would not have an exam room, so the requirements about an exam room do not apply to a pharmacy.

If you have questions, please call GuildNet Gold Plus FIDA Plan at **1-800-815-0000**, Monday through Sunday, between 8 am and 8 pm. (TTY/TDD, please call **1-800-662-1220**.) The call is free. **For more information**, visit www.guildnetny.org.
