Введение к плану GuildNet Gold Plus FIDA

В этом разделе описываются основные термины, употребляемые в нашем Указателе поставщиков услуг и аптек.

Поставщики – врачи, медсестры, фармацевты и другие специалисты, которые предоставляют вам медицинское обслуживание и уход. **Услуги** включают медицинское обслуживание, услуги длительного ухода и поддержки, услуги пополнения запасов препаратов, услуги, связанные с рецептурными препаратами, оборудованием и другие услуги.

- Термин «*поставщики услуг*» также включает в себя больницы, клиники, а также другие учреждения, которые предоставляют медицинские услуги, медицинское оборудование и услуги длительного ухода и поддержки.
- Поставщики, которые входят в сеть нашего плана, называются *поставщиками услуг, входящими в сеть*.

Поставщики услуг, входящие в сеть – это поставщики, с которыми мы заключили договора на оказание услуг участникам нашего плана. Поставщики услуг нашей сети выставляют нам счета за предоставленное вам обслуживание. Они не могут выставлять счета вам. Если вы обращаетесь к поставщику услуг, входящему в сеть, вы ничего не платите за покрываемые услуги.

- Если вы имеете право получать услуги у специалистов здравоохранения для индейского населения, вы можете обращаться к таким поставщикам услуг, даже если они не являются поставщиками услуг, входящими в сеть нашего плана.

Если у вас есть вопросы, звоните в план GuildNet Gold Plus FIDA по номеру **1-800-815-0000** с понедельника по воскресенье с 8:00 до 20:00. (Номер TTY/TDD: **1-800-662-1220**.) Звонок бесплатный. **Чтобы получить дополнительную информацию**, посетите веб-сайт www.guildnetny.org.

Поставщики услуг по месту жительства Как участник плана GuildNet Gold Plus FIDA, вы имеете право обращаться к поставщикам услуг нашей сети, чтобы получать обслуживание, которое вы получали ранее в рамках покрытия по программе Original Medicare. Вам не требуется разрешение от плана, чтобы получать доступ к услугам Medicare от сторонних поставщиков. Примите к сведению: Если вы обращаетесь к стороннему поставщику услуг, он должен отвечать условиям участия в программе Medicare. Мы не можем осуществлять платежи поставщикам услуг, которые не отвечают условиям участия в программе Medicare. Если вы обратитесь к специалисту, который не отвечает условиям участия в программе Medicare, вам придется оплатить полную стоимость полученных услуг. Поставщики услуг должны сообщать вам о своем соответствии условиям участия в программе Medicare.

Основной лечащий врач (ОЛВ) – врач или дипломированная медсестра, которые предоставляют вам стандартное медицинское обслуживание. Ваш ОЛВ ведет ваши медицинские карты и использует их для удовлетворения ваших потребностей в медицинской помощи в последующем. ОЛВ принимает участие в работе нашей многопрофильной группы и помогает планировать ваше медицинское обслуживание и обеспечивать предоставление необходимых вам услуг.

Специалисты – это врачи, которые занимаются лечением определенного заболевания или органа. Существует много типов специалистов. Ниже приведено несколько примеров:

- **Онколог** – лечит пациентов с раковыми заболеваниями.
- **Кардиолог** – лечит пациентов с заболеваниями сердца.
- **Ортопед** – лечит пациентов с определенными заболеваниями костей, суставов или мышц.

Вы также можете обращаться к **менеджеру по медицинскому обслуживанию и в многопрофильную группу (МПП)**, в выборе которой вы принимаете участие.

Менеджер по медицинскому обслуживанию тесно работает с вами и многопрофильной группой для разработки индивидуального плана обслуживания, который помогает вам управлять предоставляемыми вам услугами медицинской и психиатрической помощи, услугами длительного ухода и поддержки, а также удовлетворять социальные и функциональные потребности.

Ваша **многопрофильная группа (МПП)** помогает координировать предоставляемое вам обслуживание. Это означает, что группа следит за тем, чтобы поставщики услуг знали о том, какое медицинское обслуживание вам оказывается, какие препараты вы принимаете, какие обследования и лабораторные анализы проводятся и каким

соответствующим поставщикам услуг передаются их результаты.

Вы с вашей МПГ разрабатываете индивидуальный план обслуживания, в котором указываются все ваши потребности и услуги, определяются цели удовлетворения и способы мониторинга ваших потребностей. Вага МПГ будет связываться с вами по мере необходимости. В состав вашей МПГ входят:

- вы и назначенное вами лицо;
- ваш менеджер по медицинскому обслуживанию;
- ваш основной лечащий врач (ОЛВ) или его уполномоченное лицо (с офисом или практикой), которое имеет соответствующий клинический опыт и квалификацию;
- ваш специалист по охране психического здоровья, если у вас есть таковой, или его уполномоченное лицо, которое имеет соответствующий клинический опыт и квалификацию;
- сиделки или сотрудник службы ухода на дому, которые имеют соответствующий клинический опыт и квалификацию, если вы получаете обслуживание на дому и дадите согласие на участие указанных лиц в МПГ;
- медицинский представитель вашего учреждения с сестринским уходом, если вы получаете обслуживание в таком учреждении;
- дополнительные лица, включая:
 - других специалистов, участие которых было запрошено вами или назначенным вами лицом, либо рекомендовано членами МПГ по необходимости в планировании лечения, и утверждено вами или назначенным вами лицом; или
 - дипломированную медсестру, которая проводила оценку, если это будет утверждено вами или назначенным вами лицом.

Выбор основного лечащего врача (ОЛВ)

Вы можете получать услуги любого поставщика услуг, который входит в нашу сеть и принимает новых участников. Вы также можете выбрать любого ОЛВ в зоне нашего обслуживания, который принимает условия программы Medicare.

Сначала вы должны выбрать основного лечащего врача. Вы можете попросить нас назначить специалиста на должность вашего ОЛВ. Если вы выбираете специалиста, который будет исполнять функции вашего ОЛВ, этот специалист должен быть согласен работать в составе вашей МПГ для координирования вашего обслуживания. *Позвоните в Отдел обслуживания участников по номеру 1-800-815-0000 (лицам, использующим ТТУ, следует звонить по номеру 1-800-662-1220) или обратитесь к менеджеру по медицинскому обслуживанию, если вы выбрали специалиста в качестве*
