Bulletin: AD-01-99

Date: 01/12/99

SUBJECT: List of Effective English Language Service Literature

Attached is the list of English language service literature in effect as of January 1999.

Where there are manuals having the same or similar names (e.g., 45 Series IOS* Manual 819-0002 and MJ45E Service Manual 819-5115), the description indicates the series codes covered by the particular manual.

Also, please check the dates on your manuals to make sure you have the latest revision in your library.
